Parent topic: Federal Acquisition Regulation

22.000 Scope of part.

This part-

- (a) Deals with general policies regarding *contractor* labor relations as they pertain to the *acquisition* process;
 - (b) Prescribes *contracting* policy and procedures for implementing pertinent labor laws; and
 - (c) Prescribes *contract* clauses with respect to each pertinent labor law.

22.001 Definitions.

Administrator or "Administrator", Wage and Hour Division", as used in this part, means the—

Administrator

Wage and Hour Division

U.S. Department of Labor

Washington, DC 20210

or an authorized representative.

Agency labor advisor means an individual responsible for advising contracting agency officials on Federal contract labor matters.

e98 means the Department of Labor's approved electronic application (https://www.sam.gov),

whereby a *contracting officer* submits pertinent information to the Department of Labor and requests a *Service Contract* Labor Standards statute *wage determination* directly from the *Wage and Hour Division*.

Service contract means any Government contract , or subcontract thereunder, the principal purpose of which is to furnish services in the United States through the use of service employees, except as exempted by $\underline{41~U.S.C.~chapter~67}$, Service Contract Labor Standards; see $\underline{22.1003-3}$ and $\underline{22.1003-4}$). See $\underline{22.1003-5}$ and 29 CFR 4.130 for a partial list of services covered by the Service Contract Labor Standards statute.

Service employee means any person engaged in the performance of a service contract other than any person employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in 29 CFR part 541. The term "service employee" includes all such persons regardless of any contractual relationship that may be alleged to exist between a contractor or subcontractor and such persons.

Wage Determinations at SAM.gov means the Government internet website for both Construction Wage Rate Requirements statute and Service Contract Labor Standards statute wage determinations available at https://www.sam.gov.

Subpart 22.1 - Basic Labor Policies

22.101 Labor relations.

22.101-1 General.

(a) Agencies *shall* maintain sound relations with industry and labor to ensure (1) prompt receipt of information involving labor relations that *may* adversely affect the Government *acquisition* process and (2) that the Government obtains needed *supplies* and services without delay. All matters regarding labor relations *shall* be handled in accordance with agency procedures.

(b)

- (1) Agencies *shall* remain impartial concerning any dispute between labor and *contractor* management and not undertake the conciliation, mediation, or arbitration of a labor dispute. To the extent practicable, agencies *should* ensure that the parties to the dispute use all available methods for resolving the dispute, including the services of the National Labor Relations Board, Federal Mediation and Conciliation Service, the National Mediation Board and other appropriate Federal, State, local, or private agencies.
 - (2) For use of project labor agreements, see subpart 22.5.
- (c) Agencies *should*, when practicable, exchange information concerning labor matters with other affected agencies to ensure a uniform Government approach concerning a particular plant or labor-management dispute.
- (d) Agencies *should* take other actions concerning labor relations problems to the extent consistent with their *acquisition* responsibilities. For example, agencies *should* -

- (1) Notify the agency responsible for conciliation, mediation, arbitration, or other related action of the existence of any labor dispute affecting or threatening to affect agency *acquisition* programs;
- (2) Furnish to the parties to a dispute factual information pertinent to the dispute's potential or actual adverse impact on these programs, to the extent consistent with security regulations; and
- (3) Seek a voluntary agreement between management and labor, notwithstanding the continuance of the dispute, to permit uninterrupted *acquisition* of *supplies* and services. This *shall* only be done, however, if the attempt to obtain voluntary agreement does not involve the agency in the merits of the dispute and only after consultation with the agency responsible for conciliation, mediation, arbitration, or other related action.
- (e) The *head of the contracting activity may* designate programs or requirements for which it is necessary that contractors be required to notify the Government of actual or potential labor disputes that are delaying or threaten to delay the timely *contract* performance (see 22.103-5(a)).

22.101-2 Contract pricing and administration.

- (a) *Contractor* labor policies and compensation practices, whether or not included in labor-management agreements, are not acceptable bases for allowing costs in cost-reimbursement contracts or for recognition of costs in *pricing* fixed-price contracts if they result in unreasonable costs to the Government. For a discussion of allowable costs resulting from labor-management agreements, see <u>31.205-6(b)</u>.
- (b) Labor disputes may cause work stoppages that delay the performance of Government contracts. Contracting officers shall impress upon contractors that each contractor shall be held accountable for reasonably avoidable delays. Standard contract clauses dealing with default, excusable delays, etc., do not relieve contractors or subcontractors from the responsibility for delays that are within the contractors' or their subcontractors' control. A delay caused by a strike that the contractor or subcontractor could not reasonably prevent can be excused; however, it cannot be excused beyond the point at which a reasonably diligent contractor or subcontractor could have acted to end the strike by actions such as-
- (1) Filing a charge with the National Labor Relations Board to permit the Board to seek injunctive relief in court;
 - (2) Using other available Government procedures; and
 - (3) Using private boards or organizations to settle disputes.
- (c) Strikes normally result in changing patterns of cost incurrence and therefore *may* have an impact on the allowability of costs for cost-reimbursement contracts or for recognition of costs in *pricing* fixed-price contracts. Certain costs *may* increase because of strikes; *e.g.*, guard services and attorney's fees. Other costs incurred during a strike *may* not fluctuate (*e.g.*,"fixed costs" such as rent and *depreciation*), but because of reduced production, their proportion of the unit cost of items produced increases. All costs incurred during strikes *shall* be carefully examined to ensure recognition of only those costs necessary for performing the *contract* in accordance with the Government's essential interest.
 - (d) If, during a labor dispute, the inspectors' safety is not endangered, the normal functions of

inspection at the plant of a Government *contractor shall* be continued without regard to the existence of a labor dispute, strike, or picket line.

22.101-3 Reporting labor disputes.

The office administering the *contract shall* report, in accordance with agency procedures, any potential or actual labor disputes that *may* interfere with performing any contracts under its cognizance. If a *contract* contains the clause at <u>52.222-1</u>, Notice to the Government of Labor Disputes, the *contractor* also *must* report any actual or potential dispute that *may* delay *contract* performance.

22.101-4 Removal of items from contractors' facilities affected by work stoppages.

- (a) Items *shall* be removed from contractors' facilities affected by work stoppages in accordance with agency procedures. Agency procedures *should* allow for the following:
- (1) Determine whether removal of items is in the Government's interest. Normally the determining factor is the critical needs of an agency program.
- (2) Attempt to arrange with the *contractor* and the union representative involved their approval of the *shipment* of urgently required items.
 - (3) Obtain appropriate approvals from within the agency.
 - (4) Determine who will remove the items from the plant(s) involved.
- (b) Avoid the use or appearance of force and prevent incidents that might detrimentally affect labor-management relations.
- (c) When two or more agencies' requirements are or *may* become involved in the removal of items, the *contract administration office shall* ensure that the necessary coordination is accomplished.

22.102 Federal and State labor requirements.

22.102-1 Policy.

Agencies *shall* cooperate, and encourage contractors to cooperate with Federal and State agencies responsible for enforcing labor requirements such as-

- (a) Safety;
- (b) Health and sanitation:
- (c) Maximum hours and minimum wages;
- (d) Equal employment opportunity;

- (e) Child and convict labor;
- (f) Age discrimination;
- (g) Disabled and Vietnam veteran employment;
- (h) Employment of workers with disabilities; and
- (i) Eligibility for employment under *United States* immigration laws.

22.102-2 Administration.

- (a) Agencies *shall* cooperate with, and encourage contractors to use to the fullest extent practicable, the DOL Employment and Training Administration (DOLETA) at http://www.doleta.gov, and its affiliated local offices in meeting contractors' labor requirements. These requirements *may* be to staff new or expanding plant facilities, including requirements for workers in all occupations and skills from local labor market areas or through the Federal-State employment clearance system.
- (b) Local State employment offices are operated throughout the *United States*, Puerto Rico, Guam, and the U.S. Virgin Islands. In addition to providing recruitment assistance to contractors, cooperation with the local State Employment Service offices will further the national program of maintaining continuous assessment of manpower requirements and resources on a national and local basis.

(c)

- (1) The U.S. Department of Labor is responsible for the administration and enforcement of the Occupational Safety and Health Act. The Department of Labor's *Wage and Hour Division* is responsible for administration and enforcement of numerous wage and hour statutes including-
 - (i) 40 U.S.C. chapter 31, subchapter IV, Wage Rate Requirements (Construction);
 - (ii) 40 U.S.C. chapter 37, Contract Work Hours and Safety Standards;
 - (iii) The Copeland Act (<u>18 U.S.C. 874</u> and <u>40 U.S.C. 3145</u>);
- (iv) 41 U.S.C. chapter 65, Contracts for Materials, *Supplies*, Articles, and Equipment Exceeding \$10,000;
 - (v) 41 U.S.C. chapter 67, Service Contract Labor Standards.
- (2) *Contracting* officers *should* contact the *Wage and Hour Division* 's regional offices when required by the subparts relating to these statutes unless otherwise specified. Addresses for these offices *may* be found at 29 CFR 1, Appendix B.

22.103 Overtime.

22.103-1 Definition.

Normal workweek, as used in this subpart, means, generally, a workweek of 40 hours. Outside the *United States* and its *outlying areas*, a workweek longer than 40 hours is considered normal if-

- (1) The workweek does not exceed the norm for the area, as determined by local custom, tradition, or law; and
- (2) The hours worked in excess of 40 in the workweek are not compensated at a premium rate of pay.

22.103-2 Policy.

Contractors *shall* perform all contracts, so far as practicable, without using *overtime*, particularly as a regular employment practice, except when lower overall costs to the Government will result or when it is necessary to meet urgent program needs. Any approved *overtime*, extra-pay shifts, and multishifts *should* be scheduled to achieve these objectives.

22.103-3 Procedures.

- (a) Solicitations normally *shall* not specify delivery or performance schedules that *may* require *overtime* at Government expense.
- (b) In negotiating contracts, contracting officers should, consistent with the Government's needs, attempt to-
- (1) Ascertain the extent that offers are based on the payment of *overtime* and shift premiums; and
- (2) Negotiate *contract* prices or estimated costs without these premiums or obtain the requirement from other sources.
- (c) When it becomes apparent during negotiations of applicable contracts (see $\underline{22.103-5}$ (b)) that overtime will be required in contract performance, the contracting officer shall secure from the contractor a request for all overtime to be used during the life of the contract , to the extent that the overtime can be estimated with reasonable certainty. The contractor 's request shall contain the information required by paragraph (b) of the clause at $\underline{52.222-2}$, Payment for Overtime Premiums.

22.103-4 Approvals.

- (a) The *contracting officer shall* review the *contractor* 's request for *overtime* . Approval of the use of *overtime may* be granted by an agency approving official after determining *in writing* that *overtime* is necessary to-
 - (1) Meet essential delivery or performance schedules;
- (2) Make up for delays beyond the control and without the fault or negligence of the *contractor*; or
 - (3) Eliminate foreseeable extended production bottlenecks that cannot be eliminated in any

other way.

- (b) Approval by the designated official of use and total dollar amount of *overtime* is required before inclusion of an amount in paragraph (a) of the clause at 52.222-2, Payment for *Overtime* Premiums.
- (c) *Contracting officer* approval of payment of *overtime* premiums is required for time-and-materials and labor-hour contracts (see paragraph (a)(8) of the clause at <u>52.232-7</u>, Payments Under Time-and-Materials and Labor-Hour Contracts).
 - (d) No approvals are required for paying *overtime* premiums under other types of contracts.
- (e) Approvals by the agency approving official (see $\underline{22.103-4}$ (a)) may be for an individual contract, project, program, plant, division, or company, as practical.
- (f) During contract performance, contractor requests for overtime exceeding the amount authorized by paragraph (a) of the clause at 52.222-2, Payment for Overtime Premiums, shall be submitted as stated in paragraph (b) of the clause to the office administering the contract . That office will review the request and if it approves, send the request to the contracting officer . If the contracting officer determines that the requested overtime should be approved in whole or in part, the contracting officer shall request the approval of the agency's designated approving official and modify paragraph (a) of the clause to reflect any approval.
- (g) *Overtime* premiums at Government expense *should* not be approved when the *contractor* is already obligated, without the right to additional compensation, to meet the required delivery date.
- (h) When the use of *overtime* is authorized under a *contract*, the office administering the *contract* and the auditor *should* periodically review the use of *overtime* to ensure that it is allowable in accordance with the criteria in <u>part 31</u>. Only *overtime* premiums for work in those departments, sections, etc., of the *contractor* 's plant that have been individually evaluated and the necessity for *overtime* confirmed *shall* be considered for approval.
- (i) Approvals for using *overtime shall* ordinarily be prospective, but, if justified by emergency circumstances, approvals *may* be retroactive.

22.103-5 Contract clauses.

- (a) The *contracting officer shall* insert the clause at <u>52.222-1</u>, Notice to the Government of Labor Disputes, in solicitations and contracts that involve programs or requirements that have been designated under <u>22.101-1</u>(e).
- (b) The *contracting officer shall* include the clause at <u>52.222-2</u>, Payment for *Overtime* Premiums, in solicitations and contracts when a cost-reimbursement *contract* is contemplated and the *contract* amount is expected to exceed the *simplified acquisition threshold*; unless-
 - (1) A cost-reimbursement *contract* for operation of vessels is contemplated; or
- (2) A cost-plus- incentive-fee *contract* that will provide a swing from the target fee of at least plus or minus 3 percent and a *contractor* 's share of at least 10 percent is contemplated.

Subpart 22.2 - Convict Labor

22.201 General.

- (a) Executive Order11755, December 29,1973, as amended by Executive Order12608, September 9,1987, and Executive Order12943, December 13,1994, states: "The development of the occupational and educational skills of prison inmates is essential to their rehabilitation and to their ability to make an effective return to free society. Meaningful employment serves to develop those skills. It is also true, however, that care must be exercised to avoid either the exploitation of convict labor or any unfair competition between convict labor and free labor in the production of goods and services." The Executive order does not prohibit the contractor, in performing the contract, from employing-
 - (1) Persons on parole or probation;
 - (2) Persons who have been pardoned or who have served their terms;
 - (3) Federal prisoners; or
- (4) Nonfederal prisoners authorized to work at paid employment in the community under the laws of a jurisdiction listed in the Executive order if-
 - (i) The worker is paid or is in an approved work training program on a voluntary basis;
- (ii) Representatives of local union central bodies or similar labor union organizations have been consulted;
 - (iii) Paid employment will not-
 - (A) Result in the displacement of employed workers;
- (B) Be applied in skills, crafts, or trades in which there is a surplus of available gainful labor in the locality; or
 - (C) Impair existing contracts for services;
- (iv) The rates of pay and other conditions of employment will not be less than those for work of a similar nature in the locality where the work is being performed; and
- (v) The Attorney General of the *United States* has certified that the work-release laws or regulations of the jurisdiction involved are in conformity with the requirements of Executive Order11755, as amended.
- (b) Department of Justice regulations authorize the Director of the Bureau of Justice Assistance to exercise the power and authority vested in the Attorney General by the Executive order to certify and to revoke the certification of work-release laws or regulations (see 28 CFR0.94-1(b)).

22.202 Contract clause.

Insert the clause at <u>52.222-3</u>, Convict Labor, in solicitations and contracts above the *micro-purchase*

threshold, when the contract will be performed in the $United\ States$, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, or the U.S. Virgin Islands; unless-

- (a) The *contract* will be subject to <u>41 U.S.C. chapter 65</u>, (see <u>subpart 22.6</u>), which contains a separate prohibition against the employment of convict labor;
- (b) The *supplies* or services are to be purchased from Federal Prison Industries, Inc. (see <u>subpart 8.6</u>); or
- (c) The *acquisition* involves the purchase, from any State prison, of finished *supplies* that *may* be secured in the open market or from existing stocks, as distinguished from *supplies* requiring special fabrication.

Subpart 22.3 - Contract Work Hours and Safety Standards Act

22.300 Scope of subpart.

This subpart prescribes policies and procedures for applying the requirements of <u>40 U.S.C.chapter</u> <u>37</u>, *Contract* Work Hours and Safety Standards (the statute) to contracts that *may* require or involve laborers or mechanics. In this subpart, the term "laborers or mechanics" includes apprentices, trainees, helpers, watchmen, guards, firefighters, fireguards, and workmen who perform services in connection with dredging or rock excavation in rivers or harbors, but does not include any *employee* employed as a seaman.

22.301 Statutory requirement.

The statute requires that certain contracts contain a clause specifying that no laborer or mechanic doing any part of the work contemplated by the *contract shall* be required or permitted to work more than 40 hours in any workweek unless paid for all such *overtime* hours at not less than 1 1/2 times the basic rate of pay.

22.302 Liquidated damages and overtime pay.

- (a) When an *overtime* computation discloses underpayments, the responsible *contractor* or *subcontractor must* pay the affected *employee* any unpaid *wages* and pay liquidated damages to the Government. The *contracting officer must* assess liquidated damages at the rate specified at 29 CFR 5.5(b)(2) per affected *employee* for each calendar *day* on which the employer required or permitted the *employee* to work in excess of the standard workweek of 40 hours without paying *overtime* wages required by the statute. In accordance with the Federal Civil Penalties Inflation Adjustment Act of 1990 (28 U.S.C. 2461 Note), the Department of Labor adjusts this civil monetary penalty for inflation no later than January 15 each year.
- (b) If the *contractor* or *subcontractor* fails or refuses to comply with *overtime* pay requirements of the statute and the funds withheld by Federal agencies for labor standards violations do not cover the unpaid *wages* due laborers and mechanics and the liquidated damages due the Government,

make payments in the following order—

- (1) Pay laborers and mechanics the *wages* they are owed (or prorate available funds if they do not cover the entire amount owed); and
 - (2) Pay liquidated damages.
- (c) If the head of an agency finds that the administratively determined liquidated damages due under paragraph (a) of this section are incorrect, or that the *contractor* or *subcontractor* inadvertently violated the statute despite the exercise of due care, the *agency head may* -
- (1) Reduce the amount of liquidated damages assessed for liquidated damages of \$500 or less;
- (2) Release the *contractor* or *subcontractor* from the liability for liquidated damages of \$500 or less; or
 - (3) Recommend that the Secretary of Labor reduce or waive liquidated damages over \$500.
- (d) After the *contracting officer* determines the liquidated damages and the *contractor* makes appropriate payments, disburse any remaining assessments in accordance with agency procedures.

22.303 Administration and enforcement.

The procedures and reports required for *construction* contracts in <u>subpart 22.4</u> also apply to investigations of alleged violations of the statute on other than *construction* contracts.

22.304 Variations, tolerances, and exemptions.

- (a) The *Secretary* of Labor, under <u>40 U.S.C.3706</u>, upon the *Secretary* 's initiative or at the request of any *Federal agency*, *may* provide reasonable limitations and allow variations, tolerances, and exemptions to and from any or all provisions of the statute (see 29 CFR5.15).
- (b) The *Secretary* of Labor *may* make variations, tolerances, and exemptions from the regulatory requirements of applicable parts of 29 CFRwhen the *Secretary* finds that such action is necessary and proper in the public interest or to prevent injustice and undue hardship (see 29 CFR5.14).

22.305 Contract clause.

Insert the clause at <u>52.222-4</u>, *Contract* Work Hours and Safety Standards-*Overtime* Compensation, in solicitations and contracts (including, for this purpose, basic ordering agreements) when the *contract may* require or involve the employment of laborers or mechanics. However, do not include the clause in solicitations and contracts-

- (a) Valued at or below \$150,000;
- (b) For commercial *products* and commercial services;
- (c) For transportation or the transmission of intelligence;

- (d) To be performed outside the *United States*, Puerto Rico, American Samoa, Guam, the U.S. Virgin Islands, Johnston Island, Wake Island, and the outer Continental Shelf as defined in the Outer Continental Shelf Lands Act (43 U.S.C.1331) (29 CFR5.15);
 - (e) For work to be done solely in accordance with 41 U.S.C. chapter 65, (see subpart 22.6);
- (f) For *supplies* that include incidental services that do not require substantial employment of laborers or mechanics; or
 - (g) Exempt under regulations of the Secretary of Labor (29 CFR5.15).

Subpart 22.4 - Labor Standards for Contracts Involving Construction

22.400 Scope of subpart.

This subpart implements the statutes which prescribe labor standards requirements for contracts in excess of \$2,000 for *construction*, *alteration*, *or repair*, including painting and decorating, of public buildings and public works. (See definition of "Construction, alteration, or repair" in section 22.401.) Labor relations requirements prescribed in other subparts of part 22 may also apply.

22.401 Definitions.

As used in this subpart-

Apprentice means a person-

- (1) Employed and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer, and Labor Services (OATELS), or with a State Apprenticeship Agency recognized by OATELS; or
- (2) Who is in the first 90 days of probationary employment as an *apprentice* in an apprenticeship program, and is not individually registered in the program, but who has been certified by the OATELS or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an *apprentice* .

Construction, alteration, or repair means all types of work done by laborers and mechanics employed by the construction contractor or construction subcontractor on a particular building or work at the site thereof, including without limitations-

- (1) Altering, remodeling, installation (if appropriate) on the site of the work of items fabricated off-site;
 - (2) Painting and decorating;
- (3) Manufacturing or furnishing of materials, articles, *supplies*, or equipment on the site of the *building or work*;

- (4) Transportation of materials and *supplies* between the site of the work within the meaning of paragraphs (1)(i) and (ii) of the "site of the work" definition of this section, and a facility which is dedicated to the *construction* of the *building or work* and is deemed part of the site of the work within the meaning of paragraph (2) of the "site of work" definition of this section; and
- (5) Transportation of portions of the *building or work* between a secondary site where a significant portion of the *building or work* is constructed, which is part of the "site of the work" definition in paragraph (1)(ii) of this section, and the physical place or places where the *building or work* will remain (paragraph (1)(i) in the "site of the work" definition of this section).

Laborers or mechanics.-

(1) Means-

- (i) Workers, utilized by a *contractor* or *subcontractor* at any tier, whose duties are manual or physical in nature (including those workers who use tools or who are performing the work of a trade), as distinguished from mental or managerial;
- (ii) Apprentices, trainees, helpers, and, in the case of contracts subject to the *Contract* Work Hours and Safety Standards statute, watchmen and guards;
- (iii) Working foremen who devote more than 20 percent of their time during a workweek performing duties of a laborer or mechanic, and who do not meet the criteria of 29 CFR part 541, for the time so spent; and
- (iv) Every person performing the duties of a laborer or mechanic, regardless of any contractual relationship alleged to exist between the *contractor* and those individuals; and
- (2) Does not include workers whose duties are primarily executive, supervisory (except as provided in paragraph (1)(iii) of this definition), administrative, or clerical, rather than manual. Persons employed in a bona fide executive, administrative, or professional capacity as defined in 29 CFR part 541 are not deemed to be laborers or mechanics.

Public building or public work means building or work, the construction, prosecution, completion, or repair of which, as defined in this section, is carried on directly by authority of, or with funds of, a $Federal\ agency$ to serve the interest of the general public regardless of whether title thereof is in a $Federal\ agency$.

Site of the work.-

(1) Means

- (i) The primary site of the work. The physical place or places where the *construction* called for in the *contract* will remain when work on it is completed; and
- (ii) The secondary site of the work, if any. Any other site where a significant portion of the *building or work* is constructed, provided that such site is-
 - (A) Located in the United States; and
 - (B) Established specifically for the performance of the *contract* or project;
 - (2) Except as provided in paragraph (3) of this definition, includes fabrication plants,

mobile factories, batch plants, borrow pits, job headquarters, tool yards, etc., provided-

- (i) They are dedicated exclusively, or nearly so, to performance of the contract or project; and
- (ii) They are adjacent or virtually adjacent to the "primary site of the work" as defined in paragraphs (1)(i) of "the secondary site of the work" as defined in paragraph (1)(ii) of this definition;
- (3) Does not include permanent home offices, branch plant establishments, fabrication plants, or tool yards of a *contractor* or *subcontractor* whose locations and continuance in operation are determined wholly without regard to a particular Federal *contract* or project. In addition, fabrication plants, batch plants, borrow pits, job headquarters, yards, etc., of a commercial or material supplier which are established by a supplier of materials for the project before opening of bids and not on the project site, are not included in the "site of the work." Such permanent, previously established facilities are not a part of the "site of the work", even if the operations for a period of time *may* be dedicated exclusively, or nearly so, to the performance of a *contract*.

Trainee means a person registered and receiving on-thejob training in a construction occupation under a program which has been approved in advance by the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer, and Labor Services (OATELS), as meeting its standards for on-the-job training programs and which has been so certified by that Administration.

Wages means the basic hourly rate of pay; any contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a bona fide fringe benefit fund, plan, or program; and the rate of costs to the contractor or subcontractor which may be reasonably anticipated in providing bonafide fringe benefits to laborers and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan or program, which was communicated in writing to the laborers and mechanics affected. The fringe benefits enumerated in the Construction Wage Rate Requirements statute include medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing; unemployment benefits; life insurance, disability insurance, sickness insurance, or accident insurance; vacation or holiday pay; defraying costs of apprenticeship or other similar programs; or other bona fide fringe benefits. Fringe benefits do not include benefits required by other Federal, State, or local law.

22.402 Applicability.

- (a) Contracts for construction work.
- (1) The requirements of this subpart apply-
- (i) Only if the *construction* work is, or reasonably can be foreseen to be, performed at a particular site so that wage rates can be determined for the locality, and only to *construction* work that is performed by laborers and mechanics at the site of the work;
- (ii) To dismantling, demolition, or removal of improvements if a part of the *construction* contract , or if construction at that site is anticipated by another contract as provided in <u>subpart</u> 37.3;

- (iii) To the manufacture or fabrication of *construction* materials and components conducted in connection with the *construction* and on the site of the work by the *contractor* or a *subcontractor* under a *contract* otherwise subject to this subpart; and
- (iv) To painting of public buildings or public works, whether performed in connection with the original *construction* or as alteration or repair of an existing structure.
 - (2) The requirements of this subpart do not apply to-
- (i) The manufacturing of components or materials off the site of the work or their subsequent delivery to the site by the commercial supplier or materialman;
- (ii) Contracts requiring *construction* work that is so closely related to research, experiment, and development that it cannot be performed separately, or that is itself the subject of research, experiment, or development (see paragraph (b) of this section for applicability of this subpart to research and development contracts or portions thereof involving *construction*, alteration, or repair of a public building or public work);
- (iii) Employees of railroads operating under collective bargaining agreements that are subject to the Railway Labor Act; or
- (iv) Employees who work at contractors' or subcontractors' permanent home offices, fabrication shops, or tool yards not located at the site of the work. However, if the employees go to the site of the work and perform *construction* activities there, the requirements of this subpart are applicable for the actual time so spent, not including travel unless the employees transport materials or *supplies* to or from the site of the work.
 - (b) Nonconstruction contracts involving some *construction* work.
- (1) The requirements of this subpart apply to *construction* work to be performed as part of nonconstruction contracts (supply, service, research and development, etc.) if-
 - (i) The construction work is to be performed on a public building or public work;
- (ii) The *contract* contains specific requirements for a substantial amount of *construction* work exceeding the monetary threshold for application of the *Construction* Wage Rate Requirements statute (the word "substantial" relates to the type and quantity of *construction* work to be performed and not merely to the total value of *construction* work as compared to the total value of the *contract*); and
- (iii) The *construction* work is physically or functionally separate from, and is capable of being performed on a segregated basis from, the other work required by the *contract* .
 - (2) The requirements of this subpart do not apply if-
- (i) The *construction* work is incidental to the furnishing of *supplies*, equipment, or services (for example, the requirements do not apply to simple installation or alteration at a *public building or public work* that is incidental to furnishing *supplies* or equipment under a supply *contract*; however, if a substantial and segregable amount of *construction*, *alteration*, *or repair* is required, such as for installation of heavy generators or large refrigerator systems or for plant modification or rearrangement, the requirements of this subpart apply); or

(ii) The *construction* work is so merged with non-*construction* work or so fragmented in terms of the locations or time spans in which it is to be performed, that it is not capable of being segregated as a separate contractual requirement.

22.403 Statutory, Executive Order, and regulatory requirements.

22.403-1 Construction Wage Rate Requirements statute.

40 U.S.C. chapter 31, subchapter IV, Wage Rate Requirements (*Construction*), formerly known as the Davis-Bacon Act, provides that contracts in excess of \$2,000 to which the *United States* or the District of Columbia is a party for *construction*, *alteration*, *or repair* (including painting and decorating) of public buildings or public works within the *United States*, *shall* contain a clause (see 52.222-6) that no laborer or mechanic employed directly upon the site of the work *shall* receive less than the prevailing wage rates as determined by the *Secretary* of Labor.

22.403-2 Copeland Act.

The Copeland (Anti-Kickback) Act (18 U.S.C.874 and 40 U.S.C.3145) makes it unlawful to induce, by force, intimidation, threat of procuring dismissal from employment, or otherwise, any person employed in the *construction* or repair of public buildings or public works, financed in whole or in part by the *United States*, to give up any part of the compensation to which that person is entitled under a *contract* of employment. The Copeland Act also requires each *contractor* and *subcontractor* to furnish weekly a statement of compliance with respect to the *wages* paid each *employee* during the preceding week. Contracts subject to the Copeland Act *shall* contain a clause (see 52.222-10) requiring contractors and subcontractors to comply with the regulations issued by the *Secretary* of Labor under the Copeland Act.

22.403-3 Contract Work Hours and Safety Standards.

<u>40 U.S.C.chpater 37</u>, *Contract* Work Hours and Safety Standards, requires that certain contracts (see <u>22.305</u>) contain a clause (see <u>52.222-4</u>) specifying that no laborer or mechanic doing any part of the work contemplated by the *contract shall* be required or permitted to work more than 40 hours in any workweek unless paid for all additional hours at not less than 1 1/2 times the basic rate of pay (see <u>22.301</u>).

22.403-4 Executive Order 13658.

Executive Order 13658 establishes minimum *wages* for certain workers. The wage rate is subject to annual increases by an amount determined by the *Secretary* of Labor. See <u>subpart 22.19</u>. The clause at <u>52.222-55</u>, Minimum *Wages* under Executive Order 13658, requires the Executive Order 13658 minimum wage rate to be paid if it is higher than other minimum wage rates, such as the subpart 22.4 statutory *wage determination* amount.

22.403-5 Executive Order 13706.

Executive Order 13706 establishes *paid sick leave* for employees of certain Federal contractors. See <u>subpart 22.21</u> and the clause at <u>52.222-62</u>, *Paid Sick Leave* under Executive Order 13706.

22.403-6 Department of Labor regulations involving construction.

- (a) Under the statutes and Executive orders referred to in <u>22.403</u> and Reorganization Plan No. 14 of 1950 (3 CFR 1949-53 Comp., p. 1007), the *Secretary* of Labor has issued regulations in Title 29, Subtitle A, Code of Federal Regulations, prescribing standards and procedures to be observed by the Department of Labor and the Federal *contracting* agencies. Those standards and procedures applicable to contracts involving *construction* are implemented in this subpart.
 - (b) The Department of Labor regulations include-
 - (1) part 1, relating to Construction Wage Rate Requirements statute minimum wage rates;
- (2) <u>part 3</u>, relating to the Copeland (Anti-Kickback) Act and requirements for submission of weekly statements of compliance and the preservation and *inspection* of weekly payroll records;
 - (3) part 5, relating to enforcement of the-
 - (i) Construction Wage Rate Requirements statute;
 - (ii) Contract Work Hours and Safety Standards statute; and
 - (iii) Copeland (Anti-Kickback) Act;
- (4) $\underline{\text{part } 6}$, relating to rules of practice for appealing the findings of the *Administrator*, *Wage and Hour Division*, in enforcement cases under the various labor statutes, and by which Administrative Law Judge hearings are held;
- (5) <u>part 7</u>, relating to rules of practice by which contractors and other interested parties *may* appeal to the Department of Labor Administrative Review Board, decisions issued by the *Administrator*, *Wage and Hour Division*, or administrative law judges under the various labor statutes;
 - (6) part 10, relating to establishing a minimum wage for Federal contractors; and
 - (7) part 13, relating to establishing *paid sick leave* for Federal contractors.
- (c) Refer all questions relating to the application and interpretation of wage determinations (including the classifications therein) and the interpretation of the Department of Labor regulations in this subsection to the Administrator, $Wage\ and\ Hour\ Division$.

22.404 Construction Wage Rate Requirements statute wage determinations.

The Department of Labor is responsible for issuing wage determinations reflecting prevailing *wages* , including fringe benefits. The wage determinations apply only to those laborers and mechanics

employed by a *contractor* upon the site of the work including drivers who transport to or from the site materials and equipment used in the course of *contract* operations. Determinations are issued for different types of *construction*, such as building, heavy, highway, and residential (referred to as rate schedules), and apply only to the types of *construction* designated in the determination.

22.404-1 Types of wage determinations.

- (a) General wage determinations.
- (1) A general wage determination contains prevailing wage rates for the types of construction designated in the determination, and is used in contracts performed within a specified geographical area. General wage determinations contain no expiration date and remain valid until modified, superseded, or canceled by the Department of Labor. Once incorporated in a contract, a general wage determination normally remains effective for the life of the contract, unless the contracting officer exercises an option to extend the term of the contract (see 22.404-12). These determinations shall be used whenever possible. They are issued at the discretion of the Department of Labor either upon receipt of an agency request or on the Department of Labor's own initiative.
- (2) General wage determinations are published on the Wage Determinations at SAM.gov website. General wage determinations are effective on the publication date of the wage determination or upon receipt of the wage determination by the contracting agency, whichever occurs first. "Publication" within the meaning of this section shall occur on the first date the wage determination is published on the Wage Determinations at SAM.gov. Archived Construction Wage Rate Requirements statute general wage determinations that are no longer current may be accessed in the "Archived DB WD" database on Wage Determinations at SAM.gov website for information purposes only. Contracting officers may not use an archived wage determination in a contract action without obtaining prior approval of the Department of Labor. To obtain prior approval, contact the Department of Labor, Wage and Hour Division, using https://www.sam.gov, or contact the procurement agency labor advisor listed on https://www.sam.gov.
- (b) Project wage determinations. A project wage determination is issued at the specific request of a contracting agency. It is used only when no general wage determination applies, and is effective for 180 calendar days from the date of the determination. However, if a determination expires before contract award, it may be possible to obtain an extension to the 180-day life of the determination (see 22.404-5(b)(2)). Once incorporated in a contract , a project wage determination normally remains effective for the life of the contract , unless the contracting officer exercises an option to extend the term of the contract (see 22.404-12).

22.404-2 General requirements.

- (a) The contracting officer must incorporate only the appropriate wage determinations in solicitations and contracts and must designate the work to which each determination or part thereof applies. The contracting officer must not include project wage determinations in contracts or options other than those for which they are issued. When exercising an option to extend the term of a contract , the contracting officer must select the most current wage determination (s) from the same schedule(s) as the wage determination (s) incorporated into the contract .
 - (b) If the wage determination is a general wage determination or a project wage determination

containing more than one rate schedule, the *contracting officer shall* either include only the rate schedules that apply to the particular types of *construction* (building, heavy, highway, etc.) or include the entire *wage determination* and clearly indicate the parts of the work to which each rate schedule *shall* be applied. Inclusion by reference is not permitted.

- (c) The *Wage and Hour Division* has issued the following general guidelines for use in selecting the proper schedule(s) of wage rates:
- (1) Building construction is generally the construction of sheltered enclosures with walk-in access, for housing persons, machinery, equipment, or supplies. It typically includes all construction of such structures, installation of utilities and equipment (both above and below grade level), as well as incidental grading, utilities and paving, unless there is an established area practice to the contrary.
- (2) Residential construction is generally the construction, alteration, or repair of single family houses or apartment buildings of no more than four (4) stories in height, and typically includes incidental items such as site work, parking areas, utilities, streets and sidewalks, unless there is an established area practice to the contrary.
- (3) *Highwayconstruction* is generally the *construction*, *alteration*, *or repair* of roads, streets, highways, runways, taxiways, alleys, parking areas, and other similar projects that are not incidental to "building," "residential," or "heavy" *construction*.
- (4) *Heavy construction* includes those projects that are not properly classified as either "building," "residential," or "highway," and is of a catch-all nature. Such heavy projects *may* sometimes be distinguished on the basis of their individual characteristics, and separate schedules issued (*e.g.*,"dredging," "water and sewer line," "dams," "flood control," etc.).
- (5) When the nature of a project is not clear, it is necessary to look at additional factors, with primary consideration given to locally established area practices. If there is any doubt as to the proper application of wage rate schedules to the type or types of *construction* involved, guidance *shall* be sought before the opening of bids, or receipt of best and final offers, from the *Administrator*, *Wage and Hour Division*. Further examples are contained in Department of Labor All Agency Memoranda Numbers 130 and 131.

22.404-3 Procedures for requesting wage determinations.

- (a) General wage determinations. If there is a general wage determination on the Wage Determinations at SAM.gov website applicable to the project, the agency may use it without notifying the Department of Labor. When necessary, a request for a general wage determination may be made by submitting Standard Form (SF) 308, Request for Determination and Response to Request, to the Administrator, Wage and Hour Division, Attention: Branch of Construction Contract Wage Determinations, 200 Constitution Avenue, NW, Washington, DC 20210.
- (b) Project wage determinations. If a general *wage determination* is not available on Wage Determinations at SAM.gov, a contracting agency shall submit requests for project wage determinations on SF 308 to the Department of Labor. The requests shall include the following information:
- (1) The location, including the county (or other civil subdivision) and State in which the proposed project is located.

- (2) The name of the project and a sufficiently detailed description of the work to indicate the types of *construction* involved (*e.g.*, building, heavy, highway, residential, or other type).
- (3) Any available pertinent wage payment information, unless wage patterns in the area are clearly established.
 - (4) The estimated cost of each project.
 - (5) All the classifications of laborers and mechanics likely to be employed.
 - (c) Time for submission of requests.
- (1) The time required by the Department of Labor for processing requests for project wage determinations varies according to the facts and circumstances in each case. An agency *should* expect the processing to take at least 30 days. Accordingly, agencies *should* submit requests for project wage determinations for the primary site of the work to the Department of Labor at least 45 days (60 days if possible) before issuing the *solicitation* or exercising an *option* to extend the term of a *contract* .
- (2) Agencies *should* promptly submit to the Department of Labor an *offeror* 's request for a project *wage determination* for a secondary site of the work.
- (d) Review of wage determinations. Immediately upon receipt, the contracting agency shall examine the wage determination and inform the Department of Labor of any changes necessary or appropriate to correct errors. Private parties requesting changes should be advised to submit their requests to the Department of Labor.

22.404-4 Solicitations issued without wage determinations for the primary site of the work.

- (a) If a *solicitation* is issued before the *wage determination* for the primary site of the work is obtained, a notice *shall* be included in the *solicitation* that the schedule of minimum wage rates to be paid under the *contract* will be issued as an amendment to the *solicitation*.
- (b) In sealed bidding, bids *may* not be opened until a reasonable time after the *wage determination* for the primary site of the work has been furnished to all bidders.
- (c) In negotiated acquisitions, the *contracting officer may* open proposals and conduct negotiations before obtaining the *wage determination* for the primary site of the work. However, the *contracting officer shall* incorporate the *wage determination* for the primary site of the work into the *solicitation* before submission of best and final offers.

22.404-5 Expiration of project wage determinations.

- (a) The *contracting officer shall* make every effort to ensure that *contract* award is made before expiration of the project *wage determination* included in the *solicitation* .
 - (b) The following procedure applies when *contracting* by sealed bidding:
 - (1) If a project wage determination for the primary site of the work expires before bid

opening, or if it appears before *bid* opening that a project *wage determination may* expire before award, the *contracting officer shall* request a new determination early enough to ensure its receipt before *bid* opening. If necessary, the *contracting officer shall* postpone the *bid* opening date to allow a reasonable time to obtain the determination, amend the *solicitation* to incorporate the new determination, and permit bidders to amend their bids. If the new determination does not change the wage rates and would not warrant amended bids, the *contracting officer shall* amend the *solicitation* to include the number and date of the new determination.

- (2) If a project $wage\ determination$ for the primary site of the work expires after bid opening but before award, the $contracting\ officer\ shall$ request an extension of the project $wage\ determination$ expiration date from the Administrator, $Wage\ and\ Hour\ Division$. The request for extension shall be supported by a written finding, which shall include a brief statement of factual support, that the extension is necessary and proper in the public interest to prevent injustice or undue hardship or to avoid serious impairment of the conduct of Government business. If necessary, the $contracting\ officer\ shall\ delay\ award\ to\ permit\ either\ receipt\ of\ the\ extension\ or\ receipt\ and\ processing\ of\ a\ new\ determination\ .$ If the request is granted, the $contracting\ officer\ shall\ award\ the\ contract\ and\ modify\ it\ to\ apply\ the\ extended\ expiration\ date\ to\ the\ already\ incorporated\ project\ wage\ determination\ .$ (See 43.103(b)(1).) If the request is denied, the $Administrator\ will\ process\ the\ new\ determination\ as\ follows:$
- (i) If If the new determination for the primary site of the work changes any wage rates for classifications to be used in the *contract*, the *contracting officer may* cancel the *solicitation* only in accordance with 14.404-1. Otherwise the *contracting officer shall* award the *contract* and incorporate the new determination to be effective on the date of *contract* award. The *contracting officer shall* equitably adjust the *contract* price for any increased or decreased cost of performance resulting from any changed wage rates.
- (ii) If the new determination for the primary site of the work does not change any wage rates, the *contracting officer shall* award the *contract* and modify it to include the number and date of the new determination. (See 43.103(b)(1).)
 - (c) The following procedure applies when *contracting* by negotiation:
- (1) If a project wage determination will or does expire before contract award, the contracting officer shall request a new wage determination from the Department of Labor. If necessary, the contracting officer shall delay award while the new determination is obtained and processed.
- (2) The *contracting officer* need not delay opening and reviewing proposals or discussing them with the offerors while a new determination for the primary site of the work is being obtained. The *contracting officer shall* request offerors to extend the period for acceptance of any proposal if that period expires or *may* expire before receipt and full processing of the new determination.
- (3) If the new determination for the primary site of the work changes any wage rates, the contracting officer shall amend the solicitation to incorporate the new determination, and furnish the wage rate information to all prospective offerors that were sent a solicitation if the closing date for receipt of proposals has not yet occurred, or to all offerors that have not been eliminated from the competition if the closing date has passed. All offerors to whom wage rate information has been furnished shall be given reasonable opportunity to amend their proposals.
- (4) If the new determination for the primary site of the work does not change any wage rates, the *contracting officer shall* amend the *solicitation* to include the number and date of the new

22.404-6 Modifications of wage determinations.

- (a) General.
- (1) The Department of Labor *may* modify a *wage determination* to make it current by specifying only the items being changed or by reissuing the entire determination with changes incorporated.
- (2) All project wage determination modifications expire on the same day as the original determination. The need to include a modification of a project wage determination for the primary site of the work in a solicitation is determined by the time of receipt of the modification by the contracting agency. Therefore, the contracting agency must annotate the modification of the project wage determination with the date and time immediately upon receipt.
- (3) The need for inclusion of the modification of a general $wage\ determination$ for the primary site of the work in a solicitation is determined by the date the modified $wage\ determination$ is published on the Wage Determinations at SAM.gov, or by the date the agency receives actual written notice of the modification from the Department of Labor, whichever occurs first. (Note the distinction between receipt by the agency (modification is effective) and receipt by the $contracting\ officer$, which may occur later.) During the course of the solicitation, the $contracting\ officer\ shall$ monitor the Wage Determinations at SAM.gov website to determine whether the applicable $wage\ determination$ has been revised. Revisions published on the Wage Determinations at SAM.gov website or otherwise communicated to the $contracting\ officer$ within the timeframes prescribed at 22.404-6(b) and (c) are applicable and must be included in the resulting contract. Monitoring can be accomplished by use of the Wage Determinations at SAM.gov website's "Alert Service".
 - (b) The following applies when *contracting* by sealed bidding:
 - (1) A written action modifying a wage determination shall be effective if:
- (i) It is received by the contracting agency, or is published on the Wage Determinations at SAM.gov, 10 or more calendar days before the date of bid opening; or
- (ii) It is received by the *contracting* agency, or is published on the Wage Determinations at *SAM.gov*, less than 10 calendar days before the date of *bid* opening, unless the *contracting officer* finds that there is not reasonable time available before *bid* opening to notify the prospective bidders. (If the *contracting officer* finds that there is not reasonable time to notify bidders, a written report of the finding *shall* be placed in the *contract* file and *shall* be made available to the Department of Labor upon request.)
- (2) All written actions modifying wage determinations received by the *contracting* agency after *bid* opening, or modifications to general wage determinations published on the Wage Determinations at *SAM.gov* after *bid* opening, *shall* not be effective and *shall* not be included in the *solicitation* (but see paragraph (b)(6) of this subsection).
- (3) If an effective modification of the *wage determination* for the primary site of the work is received by the *contracting officer* before *bid* opening, the *contracting officer shall* postpone the *bid* opening, if necessary, to allow a reasonable time to amend the *solicitation* to incorporate the modification and permit bidders to amend their bids. If the modification does not change the wage

rates and would not warrant amended bids, the *contracting officer shall* amend the *solicitation* to include the number and date of the modification.

- (4) If an effective modification of the wage determination for the primary site of the work is received by the *contracting officer* after *bid* opening, but before award, the *contracting officer shall* follow the procedures in 22.404-5(b)(2)(i) or (ii).
- (5) If an effective modification is received by the *contracting officer* after award, the *contracting officer shall* modify the *contract* to incorporate the wage modification retroactive to the date of award and equitably adjust the *contract* price for any increased or decreased cost of performance resulting from any changed wage rates. If the modification does not change any wage rates and would not warrant *contract* price adjustment, the *contracting officer shall* modify the *contract* to include the number and date of the modification.
- (6) If an award is not made within 90 days after bid opening, any modification to a general wage determination which is published on the Wage Determinations at SAM.gov before award, shall be effective for any resultant contract unless an extension of the 90-day period is obtained from the Administrator, Wage and Hour Division. An agency head may request such an extension from the Administrator. The request must be supported by a written finding, which shall include a brief statement of factual support, that the extension is necessary and proper in the public interest to prevent injustice, undue hardship, or to avoid serious impairment in the conduct of Government business. The contracting officer shall follow the procedures in 22.404-5(b)(2).
 - (c) The following applies when *contracting* by negotiation:
- (1) All written actions modifying wage determinations received by the *contracting* agency before *contract* award, or modifications to general wage determinations published on the Wage Determinations at *SAM.gov* before award, *shall* be effective.
- (2) If an effective wage modification is received by the *contracting officer* before award, the *contracting officer shall* follow the procedures in $\underline{22.404-5}(c)(3)$ or (4).
- (3) If an effective wage modification is received by the *contracting officer* after award, the *contracting officer shall* follow the procedures in 22.404-6(b)(5).
- (d) The following applies when modifying a *contract* to exercise an *option* to extend the term of a *contract* :
 - (1) A modified wage determination is effective if-
- (i) The *contracting* agency receives a written action from the Department of Labor prior to exercise of the *option*, or within 45 days after submission of a *wage determination* request (22.404-3(c)), whichever is later; or
- (ii) The Department of Labor publishes the modification to a general $wage\ determination$ on the Wage Determinations at SAM.gov before exercise of the option.
- (2) If the *contracting officer* receives an effective modified *wage determination* either before or after execution of the *contract modification* to exercise the *option*, the *contracting officer must* modify the *contract* to incorporate the modified *wage determination*, and any changed wage rates, effective as of the date that the *option* to extend was effective.

22.404-7 Correction of wage determinations containing clerical errors.

Upon the Department of Labor's own initiative or at the request of the *contracting* agency, the *Administrator*, *Wage and Hour Division*, *may* correct any *wage determination* found to contain clerical errors. Such corrections will be effective immediately, and will apply to any *solicitation* or active *contract*. Before *contract* award, the *contracting officer must* follow the procedures in 22.404-5(b)(1) or (2)(i) or (ii) in sealed bidding, and the procedures in 22.404-5(c)(3) or (4) in negotiations. After *contract* award, the *contracting officer must* follow the procedures at 22.404-6(b)(5), except that for *contract* modifications to exercise an *option* to extend the term of the *contract*, the *contracting officer must* follow the procedures at 22.404-6(d)(2).

22.404-8 Notification of improper wage determination before award.

- (a) The following written notifications by the Department of Labor *shall* be effective immediately without regard to <u>22.404-6</u> if received by the *contracting officer* prior to award:
 - (1) A solicitation includes the wrong wage determination or the wrong rate schedule; or
 - (2) A wage determination is withdrawn by the Administrative Review Board.
 - (b) In sealed bidding, the *contracting officer shall* proceed in accordance with the following:
- (1) If the notification of an improper *wage determination* for the primary site of the work reaches the *contracting officer* before *bid* opening, the *contracting officer shall* postpone the *bid* opening date, if necessary, to allow a reasonable time to-
 - (i) Obtain the appropriate determination if a new wage determination is required;
 - (ii) Amend the solicitation to incorporate the determination (or rate schedule); and
- (iii) Permit bidders to amend their bids. If the appropriate *wage determination* does not change any wage rates and would not warrant amended bids, the *contracting officer shall* amend the *solicitation* to include the number and date of the new determination.
- (2) If the notification of an improper wage determination for the primary site of the work reaches the contracting officer after bid opening but before award, the contracting officer shall delay awarding the contract, if necessary, and if required, obtain the appropriate wage determination. The appropriate wage determination shall be processed in accordance with 22.404-5(b)(2)(i) or (ii).
- (c) In negotiated acquisitions, the *contracting officer shall* delay award, if necessary, and process the notification of an improper *wage determination* for the primary site of the work in the manner prescribed for a new *wage determination* at 22.404-5(c)(3).

22.404-9 Award of contract without required wage determination.

(a) If a *contract* is awarded without the required *wage determination* (*i.e.*, incorporating no determination, containing a clearly inapplicable general *wage determination*, or containing a project determination which is inapplicable because of an inaccurate description of the project or its

location), the *contracting officer shall* initiate action to incorporate the required determination in the *contract* immediately upon discovery of the error. If a required *wage determination* (valid determination in effect on the date of award) is not available, the *contracting officer shall* expeditiously request a *wage determination* from the Department of Labor, including a statement explaining the circumstances and giving the date of the *contract* award.

- (b) The contracting officer shall -
- (1) Modify the *contract* to incorporate the required *wage determination* (retroactive to the date of award) and equitably adjust the *contract* price if appropriate; or
 - (2) Terminate the contract.

22.404-10 Posting wage determinations and notice.

The contractor must keep a copy of the applicable wage determination (and any approved additional classifications) posted at the site of the work in a prominent place where the workers can easily see it. The contracting officer shall furnish to the contractor, Department of Labor FormWH-1321, Notice to Employees Working on Federal and Federally Financed Construction Projects, for posting with the wage rates. The name, address, and telephone number of the Government officer responsible for the administration of the contract shall be indicated in the poster to inform workers to whom they may submit complaints or raise questions concerning labor standards.

22.404-11 Wage determination appeals.

The *Secretary* of Labor has established an Administrative Review Board which decides appeals of final decisions made by the Department of Labor concerning *Construction* Wage Rate Requirements statute wage determinations. A *contracting* agency or other interested party *may* file a petition for review under the procedures in 29 CFR Part 7 if reconsideration by the *Administrator* has been sought pursuant to 29 CFR1.8 and denied.

22.404-12 Labor standards for contracts containing construction requirements and option provisions that extend the term of the contract.

- (a) Each time the contracting officer exercises an option to extend the term of a contract for construction, or a contract that includes substantial and segregable construction work, the contracting officer must modify the contract to incorporate the most current wage determination.
- (b) If a *contract* with an *option* to extend the term of the *contract* has indefinite-delivery or indefinite-quantity *construction* requirements, the *contracting officer must* incorporate the *wage determination* incorporated into the *contract* at the exercise of the *option* into task orders issued during that *option* period. The *wage determination* will be effective for the complete period of performance of those task orders without further revision.
- (c) The *contracting officer must* include in fixed-price contracts a clause that specifies one of the following methods, suitable to the interest of the Government, to provide an allowance for any increases or decreases in labor costs that result from the inclusion of the current *wage determination* at the exercise of an *option* to extend the term of the *contract*:

- (1) The contracting officer may provide the offerors the opportunity to bid or propose separate prices for each option period. The contracting officer must not further adjust the contract price as a result of the incorporation of a new or revised wage determination at the exercise of each option to extend the term of the contract . Generally, this method is used in construction -only contracts (with options to extend the term) that are not expected to exceed a total of 3 years.
- (2) The contracting officer may include in the contract a separately specified pricing method that permits an adjustment to the contract price or contract labor unit price at the exercise of each option to extend the term of the contract . At the time of option exercise, the contracting officer must incorporate a new wage determination into the contract , and must apply the specific pricing method to calculate the contract price adjustment. An example of a contract pricing method that the contracting officer might separately specify is incorporation in the solicitation and resulting contract of the pricing data from an annually published unit pricing book (e.g., the U.S. Army Computer-Aided Cost Estimating System or similar commercial product), which is multiplied in the contract by a factor proposed by the contractor (e.g., .95 or 1.1). At option exercise, the contracting officer incorporates the pricing data from the latest annual edition of the unit pricing book, multiplied by the factor agreed to in the basic contract . The contracting officer must not further adjust the contract price as a result of the incorporation of the new or revised wage determination .
- (3) The contracting officer may provide for a contract price adjustment based solely on a percentage rate determined by the contracting officer using a published economic indicator incorporated into the solicitation and resulting contract. At the exercise of each option to extend the term of the contract, the contracting officer will apply the percentage rate, based on the economic indicator, to the portion of the contract price or contract unit price designated in the contract clause as labor costs subject to the provisions of the Construction Wage Rate Requirements statute. The contracting officer must insert 50 percent as the estimated portion of the contract price that is labor unless the contracting officer determines, prior to issuance of the solicitation, that a different percentage is more appropriate for a particular contract or requirement. This percentage adjustment to the designated labor costs must be the only adjustment made to cover increases in wages and/or benefits resulting from the incorporation of a new or revised wage determination at the exercise of the option.
- (4) The contracting officer may provide a computation method to adjust the contract price to reflect the contractor's actual increase or decrease in wages and fringe benefits (combined) to the extent that the increase is made to comply with, or the decrease is voluntarily made by the contractor as a result of incorporation of, a new or revised wage determination at the exercise of the option to extend the term of the contract. Generally, this method is appropriate for use only if contract requirements are predominately services subject to the Service Contract Labor Standards statute and the construction requirements are substantial and segregable. The methods used to adjust the contract price for the service requirements and the construction requirements would be similar.

22.405 [Reserved]

22.406 Administration and enforcement.

22.406-1 Policy.

(a) General. Contracting agencies are responsible for ensuring the full and impartial

enforcement of labor standards in the administration of *construction* contracts. *Contracting* agencies *shall* maintain an effective program that *shall* include-

- (1) Ensuring that contractors and subcontractors are informed, before commencement of work, of their obligations under the labor standards clauses of the *contract*;
- (2) Adequate payroll reviews, on-site inspections, and *employee* interviews to determine compliance by the *contractor* and subcontractors, and prompt initiation of corrective action when required;
 - (3) Prompt investigation and disposition of complaints; and
 - (4) Prompt submission of all reports required by this subpart.
- (b) Preconstruction letters and conferences. Before construction begins, the contracting officer shall inform the contractor of the labor standards clauses and wage determination requirements of the contract and of the contractor's and any subcontractor's responsibilities under the contract. Unless it is clear that the contractor is fully aware of the requirements, the contracting officer shall issue an explanatory letter and/or arrange a conference with the contractor promptly after award of the contract.

22.406-2 Wages, fringe benefits, and overtime.

- (a) In computing *wages* paid to a laborer or mechanic, the *contractor may* include only the following items:
- (1) Amounts paid in cash to the laborer or mechanic, or deducted from payments under the conditions set forth in 29 CFR3.5.
- (2) Contributions (except those required by Federal, State, or local law) the *contractor* makes irrevocably to a trustee or a third party under any bona fide plan or program to provide for medical or hospital care, pensions, compensation for injuries or illness resulting from occupational activity, unemployment benefits, life *insurance*, disability and sickness *insurance*, accident *insurance*, or any other bona fide fringe benefit.
- (3) Other contributions or anticipated costs for bona fide fringe benefits to the extent expressly approved by the *Secretary* of Labor.

(b)

- (1) The *contractor may* satisfy the obligation under the clause at <u>52.222-6</u>, *Construction* Wage Rate Requirements, by providing *wages* consisting of any combination of contributions or costs as specified in paragraph (a) of this subsection, if the total cost of the combination is not less than the total of the basic hourly rate and fringe benefits payments prescribed in the *wage determination* for the classification of laborer or mechanic concerned.
- (2) Wages provided by the contractor and fringe benefits payments required by the wage determination may include items that are not stated as exact cash amounts. In these cases, the hourly cash equivalent of the cost of these items shall be determined by dividing the employer's contributions or costs by the employee 's hours worked during the period covered by the costs or

contributions. For example, if a *contractor* pays a monthly health *insurance* premium of \$112 for a particular *employee* who worked 125 hours during the month, the hourly cash equivalent is determined by dividing \$112 by 125 hours, which equals \$0.90 per hour. Similarly, the calculation of hourly cash equivalent for nine paid holidays peryear for an *employee* with a hourly rate of pay of \$5.00 is determined by multiplying \$5.00 by 72 (9 days at 8 hours each), and dividing the result of \$360 by the number of hours worked by the *employee* during the year. If the interested parties (*contractor*, *contracting officer*, and employees or their representative) cannot agree on the cash equivalent, the *contracting officer shall* submit the question for final determination to the Department of Labor as prescribed by agency procedures. The information submitted *shall* include-

- (i) A comparison of the payments, contributions, or costs in the *wage determination* with those made or proposed as equivalents by the *contractor*; and
 - (ii) The comments and recommendations of the contracting officer.
- (c) In computing required overtime payments, (i.e.,1 1/2 times the basic hourly rate of pay) the contractor shall use the basic hourly rate of pay in the wage determination, or the basic hourly rate actually paid by the contractor, if higher. The basic rate of pay includes employee contributions to fringe benefits, but excludes the contractor's contributions, costs, or payment of cash equivalents for fringe benefits. Overtime shall not be computed on a rate lower than the basic hourly rate in the wage determination.

22.406-3 Additional classifications.

- (a) If any laborer or mechanic is to be employed in a classification that is not listed in the wage determination applicable to the contract, the contracting officer, pursuant to the clause at $\underline{52.222-6}$, Construction Wage Rate Requirements, shall require that the contractor submit to the contracting officer, $\underline{Standard}$ \underline{Form} (\underline{SF}) $\underline{1444}$, Request for Authorization of Additional Classification and Rate, which, along with other pertinent data, contains the proposed additional classification and minimum wage rate including any fringe benefits payments.
- (b) Upon receipt of $\underline{SF\ 1444}$ from the *contractor*, the *contracting officer shall* review the request to determine whether it meets the following criteria:
- (1) The classification is appropriate and the work to be performed by the classification is not performed by any classification contained in the applicable *wage determination* .
 - (2) The classification is utilized in the area by the *construction* industry.
- (3) The proposed wage rate, including any fringe benefits, bears a reasonable relationship to the wage rates in the *wage determination* in the *contract* .

(c)

(1) If the criteria in paragraph (b) of this subsection are met and the contractor and the laborers or mechanics to be employed in the additional classification (if known) or their representatives agree to the proposed additional classification, and the contracting officer approves, the contracting officer shall submit a report (including a copy of SF 1444) of that action to the Administrator, Wage and Hour Division, for approval, modification, or disapproval of the additional classification and wage rate (including any amount designated for fringe benefits); or

(2) If the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed additional classification, or if the criteria are not met, the contracting officer shall submit a report (including a copy of $SF\ 1444$) giving the views of all interested parties and the contracting officer 's recommendation to the Administrator, Wage and Hour Division, for determination of appropriate classification and wage rate.

(d)

- (1) Within 30 days of receipt of the report, the Administrator, $Wage\ and\ Hour\ Division$, will complete action and so advise the $contracting\ officer$, or will notify the $contracting\ officer$ that additional time is necessary.
- (2) Upon receipt of the Department of Labor's action, the *contracting officer shall* forward a copy of the action to the *contractor*, directing that the classification and wage rate be posted in accordance with paragraph (a) of the clause at 52.222-6 and that workers in the affected classification receive no less than the minimum rate indicated from the first day on which work under the *contract* was performed in the classification.
- (e) In each *option* to extend the term of the *contract*, if any laborer or mechanic is to be employed during the *option* in a classification that is not listed (or no longer listed) on the *wage determination* incorporated in that *option*, the *contracting officer must* require that the *contractor* submit a request for conformance using the procedures noted in paragraphs (a) through (d) of this section.

22.406-4 Apprentices and trainees.

- (a) The *contracting officer shall* review the *contractor* 's employment and payment records of apprentices and trainees made available pursuant to the clause at 52.222-8, Payrolls and Basic Records, to ensure that the *contractor* has complied with the clause at 52.222-9, Apprentices and Trainees.
- (b) If a *contractor* has classified employees as apprentices, trainees, or helpers without complying with the requirements of the clause at <u>52.222-9</u>, the *contracting officer shall* reject the classification and require the *contractor* to pay the affected employees at the rates applicable to the classification of the work actually performed.

22.406-5 Subcontracts.

In accordance with the requirements of the clause at 52.222-11, Subcontracts (Labor Standards), the *contractor* and subcontractors at any tier are required to submit a fully executed <u>SF 1413</u>, Statement and Acknowledgment, upon award of each *subcontract*.

22.406-6 Payrolls and statements.

(a) *Submission*. In accordance with the clause at <u>52.222-8</u>, Payrolls and Basic Records, the *contractor must* submit or cause to be submitted, within 7 calendar days after the regular payment

date of the payroll week covered, for the contractor and each subcontractor, (1) copies of weekly payrolls applicable to the contract, and (2) weekly payroll statements of compliance. The contractor may use the Department of Labor FormWH-347, Payroll (For Contractor 's Optional Use), or a similar form that provides the same data and identical representation.

- (b) Withholding for nonsubmission. If the contractor fails to submit copies of its or its subcontractors' payrolls promptly, the contracting officer shall, from any payment due to the contractor, withhold approval of an amount that the contracting officer considers necessary to protect the interest of the Government and the employees of the contractor or any subcontractor.
 - (c) Examination.
- (1) The *contracting officer shall* examine the payrolls and payroll statements to ensure compliance with the *contract* and any statutory or regulatory requirements. Particular attention *should* be given to-
 - (i) The correctness of classifications and rates;
 - (ii) Fringe benefits payments;
 - (iii) Hours worked;
 - (iv) Deductions; and
 - (v) Disproportionate employment ratios of laborers, apprentices or trainees to journeymen.
- (2) Fringe benefits payments, contributions made, or costs incurred on other than a weekly basis *shall* be considered as a part of weekly payments to the extent they are creditable to the particular weekly period involved and are otherwise acceptable.
- (d) Preservation. The contracting agency shall retain payrolls and statements of compliance for 3 years after completion of the contract and make them available when requested by the Department of Labor at any time during that period. Submitted payrolls shall not be returned to a contractor or subcontractor for any reason, but copies thereof may be furnished to the contractor or subcontractor who submitted them, or to a higher tier contractor or subcontractor.
- (e) *Disclosure of payroll records. Contractor* payroll records in the Government's possession *must* be carefully protected from any public disclosure which is not required by law, since payroll records *may* contain information in which the *contractor* 's employees have a privacy interest, as well as information in which the *contractor may* have a proprietary interest that the Government *may* be obliged to protect. Questions concerning release of this information *may* involve the Freedom of Information Act (FOIA).

22.406-7 Compliance checking.

- (a) General. The contracting officer shall make checks and investigations on all contracts covered by this subpart as may be necessary to ensure compliance with the labor standards requirements of the contract.
 - (b) Regular compliance checks. Regular compliance checking includes the following activities:

- (1) *Employee* interviews to determine correctness of classifications, rates of pay, fringe benefits payments, and hours worked. (See <u>Standard Form 1445</u>.)
- (2) On-site inspections to check type of work performed, number and classification of workers, and fulfillment of posting requirements.
- (3) Payroll reviews to ensure that payrolls of prime contractors and subcontractors have been submitted on time and are complete and in compliance with *contract* requirements.
- (4) Comparison of the information in this paragraph (b) with available data, including daily inspector's report and daily logs of *construction*, to ensure consistency.
 - (c) Special compliance checks. Situations that may require special compliance checks include -
 - (1) Inconsistencies, errors, or omissions detected during regular compliance checks; or
- (2) Receipt of a complaint alleging violations. If the complaint is not specific enough, the complainant *shall* be so advised and invited to submit additional information.

22.406-8 Investigations.

Conduct labor standards investigations when available information indicates such action is warranted. In addition, the Department of Labor *may* conduct an investigation on its own initiative or *may* request a *contracting* agency to do so.

- (a) *Contracting agency responsibilities*. Conduct an investigation when a compliance check indicates that substantial or willful violations *may* have occurred or violations have not been corrected.
 - (1) The investigation must -
- (i) Include all aspects of the contractor 's compliance with contract labor standards requirements;
- (ii) Not be limited to specific areas raised in a complaint or uncovered during compliance checks; and
 - (iii) Use personnel familiar with labor laws and their application to contracts.
- (2) Do not disclose *contractor* employees' oral or written statements taken during an investigation or the *employee* 's identity to anyone other than an authorized Government official without that *employee* 's prior signed consent.
 - (3) Send a written request to the Administrator, Wage and Hour Division, to obtain-
 - (i) Investigation and enforcement instructions; or
 - (ii) Available pertinent Department of Labor files.
- (4) Obtain permission from the Department of Labor before disclosing material obtained from Labor Department files, other than computations of back *wages* and liquidated damages and summaries of back *wages* due, to anyone other than Government *contract* administrators.

- (b) *Investigation report*. The *contracting officer must* review the investigation report on receipt and make preliminary findings. The *contracting officer* normally *must* not base adverse findings solely on *employee* statements that the *employee* does not wish to have disclosed. However, if the investigation establishes a pattern of possible violations that are based on employees' statements that are not authorized for disclosure, the pattern itself *may* support a finding of noncompliance.
 - (c) Contractor Notification. After completing the review, the contracting officer must -
- (1) Provide the *contractor* any written preliminary findings and proposed corrective actions, and notice that the *contractor* has the right to request that the basis for the findings be made available and to submit written rebuttal information.
- (2) Upon request, provide the *contractor* with rationale for the findings. However, under no circumstances will the *contracting officer* permit the *contractor* to examine the investigation report. Also, the *contracting officer must* not disclose the identity of any *employee* who filed a complaint or who was interviewed, without the prior consent of the *employee*.

(3)

- (i) The *contractor may* rebut the findings *in writing* within 60 days after it receives a copy of the preliminary findings. The rebuttal becomes part of the official investigation record. If the *contractor* submits a rebuttal, evaluate the preliminary findings and notify the *contractor* of the final findings.
- (ii) If the *contracting officer* does not receive a timely rebuttal, the *contracting officer* must consider the preliminary findings final.
- (4) If appropriate, request the *contractor* to make restitution for underpaid *wages* and assess liquidated damages. If the request includes liquidated damages, the request *must* state that the *contractor* has 60 days to request relief from such assessment.
- (d) Contracting officer's report. After taking the actions prescribed in paragraphs (b) and (c) of this subsection-
- (1) The *contracting officer must* prepare and forward a report of any violations, including findings and supporting evidence, to the *agency head*. Standard Form 1446, Labor Standards Investigation Summary Sheet, is the first page of the report; and
 - (2) The *agency head must* process the report as follows:
- (i) The contracting officer must send a detailed enforcement report to the Administrator, $Wage\ and\ Hour\ Division$, within 60 days after completion of the investigation, if-
 - (A) A contractor or subcontractor underpaid by \$1,000 or more;
- (B) The *contracting officer* believes that the violations are aggravated or willful (or there is reason to believe that the *contractor* has disregarded its obligations to employees and subcontractors under the *Construction* Wage Rate Requirements statute);
 - (C) The contractor or subcontractor has not made restitution; or
 - (D) Future compliance has not been assured.
 - (ii) If the Department of Labor expressly requested the investigation and none of the

conditions in paragraph (d)(2)(i) of this subsection exist, submit a summary report to the *Administrator*, *Wage and Hour Division*. The report *must* include-

- (A) A summary of any violations;
- (B) The amount of restitution paid;
- (C) The number of workers who received restitution;
- (D) The amount of liquidated damages assessed under the *Contract* Work Hours and Safety Standards statute;
 - (E) Corrective measures taken; and
- (F) Any information that *may* be necessary to review any recommendations for an appropriate adjustment in liquidated damages.
- (iii) If none of the conditions in paragraphs (d)(2)(i) or (ii) of this subsection are present, close the case and retain the report in the appropriate *contract* file.
- (iv) If $substantial\ evidence$ is found that violations are willful and in violation of a criminal statute, (generally $18\ U.S.C.\ 874$ or 1001), forward the report (supplemented if necessary) to the Attorney General of the $United\ States$ for prosecution if the facts warrant. 22.503 Policy.

- (a) Project labor agreements are a tool that agencies *may* use to promote economy and efficiency in Federal *procurement*. Pursuant to Executive Order 13502, agencies are encouraged to consider requiring the use of project labor agreements in connection with large-scale *construction* projects.
- (b) An agency may, if appropriate, require that every contractor and subcontractor engaged in construction on the project agree, for that project, to negotiate or become a party to a $project\ labor$ agreement with one or more labor organizations if the agency decides that the use of project labor agreements will-

 - (2) Be consistent with law.
- (c) Agencies *may* also consider the following factors in deciding whether the use of a *project labor agreement* is appropriate for the *construction* project:

- (2) There is a shortage of skilled labor in the region in which the *construction* project will be sited.

An agency may seek the views of, confer with, and exchange information with prospective bidders and union representatives as part of the agency's effort to identify appropriate terms and conditions of a project labor agreement for a particular construction project and facilitate agreement on those terms and conditions.

- (2) Preaward clearance for each proposed *contract* and for each proposed first-tier *subcontract* of \$10 million or more *shall* be requested by the *contracting officer* directly from the OFCCP regional office(s). Verbal requests *shall* be confirmed by letter or facsimile transmission.
- (3) When the *contract* work is to be performed outside the *United States* with employees recruited within the *United States*, the *contracting officer shall* send the request for a preaward clearance to the OFCCP regional office serving the area where the proposed *contractor* 's corporate home or branch office is located in the *United States*, or the corporate location where personnel recruiting is handled, if different from the *contractor* 's corporate home or branch office. If the proposed *contractor* has no corporate office or location within the *United States*, the preaward clearance request action *should* be based on the location of the *recruiting and training agency* in the *United States*.
 - (4) The contracting officer does not need to request a preaward clearance if-

- (i) The specific proposed *contractor* is listed in OFCCP's National Preaward Registry via the Internet at https://www.dol.gov/agencies/ofccp/pre-award/registry;
- (ii) The projected award date is within 24 months of the proposed contractor 's Notice of Compliance completion date in the Registry; and
 - (iii) The contracting officer documents the Registry review in the contract file.
- (5) The *contracting officer shall* include the following information in the preaward clearance request:
- (i) Name, address, and telephone number of the prospective *contractor* and of any corporate affiliate at which work is to be performed.
- (ii) Name, address, and telephone number of each proposed first-tier *subcontractor* with a proposed *subcontract* estimated at \$10 million or more.
 - (iii) Anticipated date of award.
- (iv) Information as to whether the *contractor* and first-tier subcontractors have previously held any Government contracts or subcontracts.
- (v) Place or places of performance of the prime *contract* and first-tier subcontracts estimated at \$10 million or more, if known.
 - (vi) The estimated dollar amount of the contract and each first-tier subcontract, if known.
- (6) The contracting officer shall allow as much time as feasible before award for the conduct of necessary compliance evaluation by OFCCP. As soon as the apparently successful offeror can be determined, the contracting officer shall process a preaward clearance request in accordance with agency procedures, assuring, if possible, that the preaward clearance request is submitted to the OFCCP regional office at least 30 days before the proposed award date.
- (7) Within 15 days of the clearance request, OFCCP will inform the awarding agency of its intention to conduct a preaward *compliance evaluation*. If OFCCP does not inform the awarding agency within that period of its intention to conduct a preaward *compliance evaluation*, clearance *shall* be presumed and the awarding agency is authorized to proceed with the award. If OFCCP informs the awarding agency of its intention to conduct a preaward *compliance evaluation*, OFCCP *shall* be allowed an additional 20 days after the date that it so informs the awarding agency to provide its conclusions. If OFCCP does not provide the awarding agency with its conclusions within that period, clearance *shall* be presumed and the awarding agency is authorized to proceed with the award.
- (8) If the procedures specified in paragraphs (a)(6) and (a)(7) of this section would delay award of an urgent and critical *contract* beyond the time necessary to make award or beyond the time specified in the *offer* or extension thereof, the *contracting officer shall* immediately inform the OFCCP regional office of the expiration date of the *offer* or the required date of award and request clearance be provided before that date. If the OFCCP regional office advises that a preaward evaluation cannot be completed by the required date, the *contracting officer shall* submit written justification for the award to the *head of the contracting activity*, who, after informing the OFCCP regional office, *may* then approve the award without the preaward clearance. If an award is made under this authority, the *contracting officer shall* immediately request a postaward evaluation from the OFCCP regional office.

- (9) If, under the provisions of paragraph (a)(8) of this section, a postaward evaluation determines the *contractor* to be in noncompliance with E.O.11246, the *Deputy Assistant Secretary may* authorize the use of the enforcement procedures at $\underline{22.809}$ against the noncomplying *contractor*
- (b) Furnishing posters. The contracting officer shall furnish to the contractor appropriate quantities of the poster entitled "Equal Employment Opportunity Is The Law." These shall be obtained in accordance with agency procedures.

22.806 Inquiries.

- (a) An inquiry from a *contractor* regarding status of its compliance with E.O.11246, or rights of appeal to any of the actions in 22.809, *shall* be referred to the OFCCP regional office.
- (b) Labor union inquiries regarding the revision of a collective bargaining agreement in order to comply with E.O.11246 shall be referred to the Deputy Assistant Secretary.

22.807 Exemptions.

- (a) Under the following exemptions, all or part of the requirements of E.O.11246 may be excluded from a *contract* subject to E.O.11246:
- (1) *National security*. The *agency head may* determine that a *contract* is essential to the national security and that the award of the *contract* without complying with one or more of the requirements of this subpart is necessary to the national security. Upon making such a determination, the agency *shall* notify the *Deputy Assistant Secretary in writing* within 30 days.
- (2) Specific contracts. The Deputy Assistant Secretary may exempt an agency from requiring the inclusion of one or more of the requirements of E.O.11246 in any contract if the Deputy Assistant Secretary deems that special circumstances in the national interest so require. Groups or categories of contracts of the same type may also be exempted if the Deputy Assistant Secretary finds it impracticable to act upon each request individually or if group exemptions will contribute to convenience in the administration of E.O.11246.
- (b) The following exemptions apply even though a contract or subcontract contains the Equal $Opportunity \ clause$:
- (1) Transactions of \$10,000 or less. The Equal Opportunity clause is required to be included in prime contracts and subcontracts by 22.802(a). Individual prime contracts or subcontracts of \$10,000 or less are exempt from application of the Equal Opportunity clause, unless the aggregate value of all prime contracts or subcontracts awarded to a contractor in any 12-month period exceeds, or can reasonably be expected to exceed, \$10,000. (Note: Government bills of lading, regardless of amount, are not exempt.)
- (2) Work outside the United States . Contracts are exempt from the requirements of E.O.11246 for work performed outside the United States by employees who were not recruited within the United States .
- (3) Contracts with State or local governments. The requirements of E.O.11246 in any contract with a State or local government (or any agency, instrumentality, or subdivision thereof) shall not be

applicable to any agency, instrumentality, or subdivision of such government that does not participate in work on or under the contract.

- (4) Work on or near Indian reservations. It shall not be a violation of E.O.11246 for a contractor to extend a publicly announced preference in employment to Indians living on or near an Indian reservation in connection with employment opportunities on or near an Indian reservation. This applies to that area where a person seeking employment could reasonably be expected to commute to and from in the course of a work day. Contractors extending such a preference shall not, however, discriminate among Indians on the basis of religion, sex, sexual orientation, gender identity, or tribal affiliation, and the use of such preference shall not excuse a contractor from complying with E.O.11246, rules and regulations of the Secretary of Labor, and applicable clauses in the contract.
- (5) Facilities not connected with contracts. The Deputy Assistant Secretary may exempt from the requirements of E.O.11246 any of a contractor's facilities that the Deputy Assistant Secretary finds to be in all respects separate and distinct from activities of the contractor related to performing the contract, provided, that the Deputy Assistant Secretary also finds that the exemption will not interfere with, or impede the effectiveness of, E.O.11246.
- (6) Indefinite-quantity contracts. With respect to indefinite-quantity contracts and subcontracts, the Equal Opportunity clause applies unless the contracting officer has reason to believe that the amount to be ordered in any year under the contract will not exceed \$10,000. The applicability of the Equal Opportunity clause shall be determined by the contracting officer at the time of award for the firstyear, and annually thereafter for succeeding years, if any. Notwithstanding the above, the Equal Opportunity clause shall be applied to the contract whenever the amount of a single order exceeds \$10,000. Once the Equal Opportunity clause is determined to be applicable, the contract shall continue to be subject to such clause for its duration regardless of the amounts ordered, or reasonably expected to be ordered, in anyyear.
- (7) Contracts with religious entities. Pursuant to E.O. 13279, Section 202 of E.O. 11246, shall not apply to a Government contractor or subcontractor that is a religious corporation, association, educational institution, or society, with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society of its activities. Such contractors and subcontractors are not exempted or excused from complying with the other requirements contained in the order.
- (c) To request an exemption under paragraph (a)(2) or (b)(5) of this section, the *contracting* officer shall submit, under agency procedures, a detailed justification for omitting all, or part of, the requirements of E.O.11246. Requests for exemptions under paragraph (a)(2) or (b)(5) of this section shall be submitted to the *Deputy Assistant Secretary* for approval.
- (d) The *Deputy Assistant Secretary may* withdraw the exemption for a specific *contract*, or group of contracts, if the *Deputy Assistant Secretary* deems that such action is necessary and appropriate to achieve the purposes of E.O.11246. Such withdrawal *shall* not apply-
 - (1) To contracts awarded before the withdrawal; or
- (2) To any sealed *bid contract* (including restricted sealed bidding), unless the withdrawal is made more than 10 days before the *bid* opening date.

22.808 Complaints.

Complaints received by the *contracting officer* alleging violation of the requirements of *E.O.11246* shall be referred immediately to the OFCCP regional office. The complainant shall be advised in writing of the referral. The *contractor* that is the subject of a complaint shall not be advised in any manner or for any reason of the complainant's name, the nature of the complaint, or the fact that the complaint was received.

22.809 Enforcement.

Upon written notification to the *contracting officer*, the *Deputy Assistant Secretary may* direct one or more of the following actions, as well as administrative sanctions and penalties, be taken against contractors found to be in violation of E.O. 11246, the regulations of the *Secretary* of Labor, or the applicable *contract* clauses:

- (a) Publication of the names of the *contractor* or its unions.
- (b) Cancellation, termination, or *suspension* of the *contractor* 's contracts or portion thereof.
- (c) *Debarment* from future Government contracts, or extensions or modifications of existing contracts, until the *contractor* has established and carried out personnel and employment policies in compliance with *E.O.11246* and the regulations of the *Secretary* of Labor.
- (d) Referral by the *Deputy Assistant Secretary* of any matter arising under *E.O.11246* to the Department of Justice or to the Equal Employment Opportunity Commission (EEOC) for the institution of appropriate civil or criminal proceedings.

22.810 Solicitation provisions and contract clauses.

- (a) When a *contract* is contemplated that will include the clause at 52.222-26, Equal Opportunity, the *contracting officer shall* insert-
- (1) The clause at 52.222-21, Prohibition of Segregated Facilities, in the *solicitation* and *contract*; and

in solicitations, other than those for construction, when a contract is contemplated that will include the clause at 52.222-26, Equal Opportunity.

- (e) The contracting officer shall insert the clause at 52.222-26, Equal Opportunity, in solicitations and contracts (see 22.802) unless the contract is exempt from all of the requirements of E.O.11246 (see 22.807(a)). If the contract is exempt from one or more, but not all, of the requirements of E.O.11246, the contracting officer shall use the clause with its Alternate I.
- (f) The *contracting officer shall* insert the clause at 52.222-27, Affirmative Action Compliance Requirements for *Construction*, in solicitations and contracts for *construction* that will include the clause at 52.222-26, Equal Opportunity, when the amount of the *contract* is expected to be in excess of \$10,000.

Subpart 22.9 - Nondiscrimination Because of Age

Executive Order11141, February 12,1964 (29 FR2477), states that the Government policy is as follows:

- (a) Contractors and subcontractors *shall* not, in connection with employment, advancement, or discharge of employees, or the terms, conditions, or privileges of their employment, discriminate against persons because of their age except upon the basis of a bona fide occupational qualification, retirement plan, or statutory requirement.
- (b) Contractors and subcontractors, or persons acting on their behalf, *shall* not specify in solicitations or advertisements for employees to work on Government contracts, a maximum age limit for employment unless the specified maximum age limit is based upon a bona fide occupational qualification, retirement plan, or statutory requirement.
- (c) Agencies will bring this policy to the attention of contractors. The use of *contract* clauses is not required.

22.902 Handling complaints.

Agencies *shall* bring complaints regarding a *contractor* 's compliance with this policy to that *contractor* 's attention (*in writing*, if appropriate), stating the policy, indicating that the *contractor* 's compliance has been questioned, and requesting that the *contractor* take any appropriate steps that *may* be necessary to comply.

Subpart 22.10 - Service Contract Labor Standards

22.1000 Scope of subpart.

This subpart prescribes policies and procedures implementing the provisions of <u>41 U.S.C.chapter 67</u>, *Service Contract* Labor Standards (formerly known as the *Service Contract* Act of 1965), the applicable provisions of the Fair Labor Standards Act of 1938, as amended (<u>29 U.S.C.201</u>, *etseq.*), and related *Secretary* of Labor regulations and instructions (<u>29 CFR parts 4</u>, 6, 8, and 1925).

22.1001 Definitions.

As used in this subpart-

Contractor includes a *subcontractor* at any tier whose *subcontract* is subject to the provisions of the statute.

Multiple year contracts means contracts having a term of more than 1 year regardless of fiscal year funding. The term includes multi year contracts (see <u>17.103</u>).

United States means the 50 States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, the U.S. Virgin Islands, Johnston Island, Wake Island, and the outer Continental Shelf as defined in the Outer Continental Shelf Lands Act (43 U.S.C.1331, etseq.), but does not include any other place subject to U.S. jurisdiction or any U.S. base or possession within a foreign country (29 CFR 4.112).

Wage and Hour Division means the unit in the Department of Labor to which is assigned functions of the Secretary of Labor under the Service Contract Labor Standards statute.

Wage determination means a determination of minimum *wages* or fringe benefits made under <u>41</u> <u>U.S.C.6703</u> or 6707(c) applicable to the employment in a given locality of one or more classes of service employees.

22.1002 Statutory and Executive order requirements.

22.1002-1 General.

Service contracts over $$2,500 \ shall$ contain mandatory provisions regarding minimum wages and fringe benefits, safe and sanitary working conditions, notification to employees of the minimum allowable compensation, and equivalent Federal *employee* classifications and wage rates. Under $\underline{41}$ $\underline{U.S.C.6707(d)}$, service contracts may not exceed 5 years.

22.1002-2 Wage determinations based on prevailing rates.

Contractors performing on service contracts in excess of \$2,500 to which no predecessor *contractor* 's collective bargaining agreement applies *shall* pay their employees at least the *wages* and fringe

benefits found by the Department of Labor to prevail in the locality or, in the absence of a *wage determination*, the minimum wage set forth in the Fair Labor Standards Act.

22.1002-3 Wage determinations based on collective bargaining agreements.

- (a) Successor contractors performing on contracts in excess of \$2,500 for substantially the same services performed in the same locality *must* pay *wages* and fringe benefits (including accrued *wages* and benefits and prospective increases) at least equal to those contained in any bona fide collective bargaining agreement entered into under the predecessor *contract*. This requirement is self-executing and is not contingent upon incorporating a *wage determination* or the wage and fringe benefit terms of the predecessor *contractor* 's collective bargaining agreement in the successor *contract*. This requirement will not apply if the *Secretary* of Labor determines-
- (1) After a hearing, that the *wages* and fringe benefits are substantially at variance with those which prevail for services of a similar character in the locality; or
 - (2) That the wages and fringe benefits are not the result of arm's length negotiations.
- (b) Paragraphs in this <u>subpart 22.10</u> which deal with this statutory requirement and the Department of Labor's implementing regulations are <u>22.1010</u>, concerning notification to contractors and bargaining representatives of *procurement* dates; <u>22.1012-2</u>, explaining when a collective bargaining agreement will not apply due to late receipt by the *contracting officer*; and <u>22.1013</u> and <u>22.1021</u>, explaining when the application of a collective bargaining agreement can be challenged due to a variance with prevailing rates or lack of arm's length bargaining.

22.1002-4 Application of the Fair Labor Standards Act minimum wage.

No *contractor* or *subcontractor* holding a *service contract* for any dollar amount *shall* pay any of its employees working on the *contract* less than the minimum wage specified in section 6(a)(1) of the Fair Labor Standards Act (29 U.S.C.206).

22.1002-5 Executive Order 13658.

Executive Order 13658 establishes minimum *wages* for certain workers. The wage rate is subject to annual increases by an amount determined by the *Secretary* of Labor. See <u>subpart 22.19</u>. The clause at <u>52.222-55</u>, Minimum *Wages* under Executive Order 13658, requires the Executive Order 13658 minimum wage rate to be paid if it is higher than other minimum wage rates, such as the <u>subpart 22.10</u> statutory *wage determination* amount.

22.1002-6 Executive Order 13706.

Executive Order 13706 establishes *paid sick leave* for employees of certain Federal contractors. See <u>subpart 22.21</u> and the clause at <u>52.222-62</u>, *Paid Sick Leave* under Executive Order 13706.

22.1003 Applicability.

22.1003-1 General.

This <u>subpart 22.10</u> applies to all Government contracts, the *principal* purpose of which is to furnish services in the *United States* through the use of service employees, except as exempted in <u>22.1003-3</u> and <u>22.1003-4</u> of this section, or any *subcontract* at any tier thereunder. This subpart does not apply to individual *contract* requirements for services in contracts not having as their *principal* purpose the furnishing of services. The nomenclature, type, or particular form of *contract* used by *contracting* agencies is not determinative of coverage.

22.1003-2 Geographical coverage of the Act.

The Service Contract Labor Standards statute applies to service contracts performed in the United States (see $\underline{22.1001}$). The Service Contract Labor Standards statute does not apply to contracts performed outside the United States .

22.1003-3 Statutory exemptions.

The Service Contract Labor Standards statute does not apply to-

- (a) Any *contract* for *construction, alteration, or repair* of public buildings or public works, including painting and decorating;
 - (b) Any work required to be done in accordance with the provisions of 41 U.S.C.chapter 65;
- (c) Any *contract* for transporting *freight* or personnel by vessel, aircraft, bus, truck, express, railroad, or oil or gas pipeline where published tariff rates are in effect;

 - (g) Any contract for operating postal contract stations for the U.S. Postal Service.

22.1003-4 Administrative limitations, variations, tolerances, and exemptions.

(a) The Secretary of Labor may provide reasonable limitations and may make rules and regulations allowing reasonable variations, tolerances, and exemptions to and from any or all provisions of the Service Contract Labor Standards statute other than $\underline{41~U.S.C.6707(f)}$. These will be made only in special circumstances where it has been determined that the limitation, variation, tolerance, or exemption is necessary and proper in the public interest or to avoid the serious

impairment of Government business, and is in accord with the remedial purpose of the Service Contract Labor Standards statute to protect prevailing labor standards (41 U.S.C.6707(b)). See 29 CFR 4.123 for a listing of administrative exemptions, tolerances, and variations. Requests for limitations, variances, tolerances, and exemptions from the Service Contract Labor Standards statute shall be submitted in writing through contracting channels and the agency labor advisor to the Wage and Hour Administrator.

- (b) In addition to the statutory exemptions cited in <u>22.1003-3</u> of this subsection, the *Secretary* of Labor has exempted the following types of contracts from all provisions of the *Service Contract* Labor Standards statute:
- (1) Contracts entered into by the *United States* with common carriers for the carriage of mail by rail, air (except air star routes), bus, and ocean vessel, where such carriage is performed on regularly scheduled runs of the trains, airplanes, buses, and vessels over regularly established routes and accounts for an insubstantial portion of the revenue therefrom.
- (2) Any *contract* entered into by the U.S. Postal Service with an individual owner-operator for mail service if it is not contemplated at the time the *contract* is made that the owner-operator will hire any *service employee* to perform the services under the *contract* except for short periods of vacation time or for unexpected contingencies or emergency situations such as illness, or accident.
- (3) Contracts for the carriage of *freight* or personnel if such carriage is subject to rates covered by section 10721 of the Interstate Commerce Act.
 - (c) Contracts for maintenance, calibration or repair of certain equipment.
- (1) *Exemption*. The *Secretary* of Labor has exempted from the *Service Contract* Labor Standards statute contracts and subcontracts in which the primary purpose is to furnish maintenance, calibration, or repair of the following types of equipment, if the conditions at paragraph (c)(2) of this subsection are met:
 - (i) Automated data processing equipment and office information/word processing systems.
- (ii) Scientific equipment and medical apparatus or equipment if the application of microelectronic circuitry or other technology of at least similar sophistication is an essential element (for example, Product or Service Code (PSC) 6515, "Medical and Surgical Instruments, Equipment, and Supplies;" PSC 6525, "Imaging Equipment and Supplies: Medical, Dental, Veterinary;" PSC 6630, "Chemical Analysis Instruments;" and PSC 6655, "Geophysical Instruments," are largely composed of the types of equipment exempted in this paragraph).
- (iii) Office/business machines not otherwise exempt pursuant to paragraph (c)(1)(i) of this subsection, if such services are performed by the manufacturer or supplier of the equipment.
- (2) *Conditions*. The exemption at paragraph (c)(1) of this subsection applies if all the following conditions are met for a *contract* (or a *subcontract*):
- (i) The items of equipment to be serviced under the *contract* are used regularly for other than Government purposes and are sold or traded by the *contractor* in substantial quantities to the general public in the course of normal business operations.
- (ii) The services will be furnished at prices which are, or are based on, established catalog or market prices for the maintenance, calibration, or repair of such equipment. As defined at 29 CFR

4.123(e)(1)(ii)(B)-

- (A) An established catalog price is a price included in a catalog price list, schedule, or other form that is regularly maintained by the manufacturer or the *contractor*, is either published or otherwise available for *inspection* by customers, and states prices at which sales currently, or were last, made to a significant number of buyers constituting the general public.
- (B) An established market price is a current price, established in the usual course of trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or *contractor* .
- (iii) The *contractor* will use the same compensation (wage and fringe benefits) plan for all service employees performing work under the *contract* as the *contractor* uses for these employees and equivalent employees servicing the same equipment of commercial customers.
- (iv) The apparent successful *offeror* certifies to the conditions in paragraph (c)(2)(i) through (iii) of this subsection. (See 22.1006(e).)
 - (3) Affirmative determination and contract award.
- (i) For source selections where the *contracting officer* has established a competitive range, if the *contracting officer* determines that one or more of the conditions in paragraphs 22.1003-4(c)(2)(i) through (iii) of an *offeror* 's certification will not be met, the *contracting officer shall* identify the deficiency to the *offeror* before receipt of the final proposal revisions. Unless the *offeror* provides a revised *offer* acknowledging applicability of the Service *Contract* Labor Standards statute or demonstrating to the satisfaction of the *contracting officer* an ability to meet all required conditions for exemption, the *offer* will not be further considered for award.
- (ii) The *contracting officer shall* determine *in writing* the applicability of this exemption to the *contract* before *contract* award. If the apparent successful *offeror* will meet all conditions in paragraph (c)(2) of this subsection, the *contracting officer shall* make an affirmative determination and award the *contract* without the otherwise applicable *Service Contract* Labor Standards clause(s).
- (iii) If the apparent successful *offeror* does not certify to the conditions in paragraph (c)(2)(i) through (iii) of this subsection, the *contracting officer shall* incorporate in the *contract* the *Service Contract* Act clause (see 22.1006(a)) and, if the *contract* will exceed \$2,500, the appropriate Department of Labor *wage determination* (see 22.1007).

(4) Department of Labor determination.

- (i) If the Department of Labor determines after award of the *contract* that any condition for exemption in paragraph (c)(2) of this subsection has not been met, the exemption *shall* be deemed inapplicable, and the *contract shall* become subject to the *Service Contract* Labor Standards statute, effective as of the date of the Department of Labor determination. In such case, the procedures at 29 CFR 4.123(e)(1)(iv) and 29 CFR 4.5(c) *shall* be followed.
- (ii) If the Department of Labor determines that any conditions in paragraph (c)(2) of this subsection have not been met with respect to a subcontract, the exemption shall be deemed inapplicable. The contractor may be responsible for ensuring that the subcontractor complies with the Service Contract Labor Standards statute, effective as of the date of the subcontract award.

- (d) Contracts for certain services.-
- (1) *Exemption*. Except as provided in paragraph (d)(5) of this subsection, the *Secretary* of Labor has exempted from the *Service Contract* Labor Standards statutecontracts and subcontracts in which the primary purpose is to provide the following services, if the conditions in paragraph (d)(2) of this subsection are met:
- (i) Automobile or other vehicle (*e.g.*, aircraft) maintenance services (other than contracts or subcontracts to operate a Government motor pool or similar facility).
- (ii) Financial services involving the issuance and servicing of cards (including credit cards, debit cards, purchase cards, smart cards, and similar card services).

- (2) *Conditions*. The exemption for the services in paragraph (d)(1) of this subsection applies if all the following conditions are met for a *contract* (or for a *subcontract*):

(i)

- (A) Except for services identified in paragraph (d)(1)(iv) of this subsection, the *contractor* will be selected for award based on other factors in addition to price or cost, with the combination of other factors at least as important as price or cost; or
 - (B) The *contract* will be awarded on a sole source basis.
- (ii) The services under the *contract* are offered and sold regularly to non-Governmental customers, and are provided by the *contractor* (or *subcontractor* in the case of an exempt *subcontract*) to the general public in substantial quantities in the course of normal business operations.
- (iii) The *contract* services are furnished at prices that are, or are based on, established catalog or market prices. As defined at 29 CFR 4.123(e)(2)(ii)(C)-
 - (A) An established catalog price is a price included in a catalog, price list, schedule, or

other form that is regularly maintained by the *contractor*, is either published or otherwise available for *inspection* by customers, and states prices at which sales are currently, or were last, made to a significant number of buyers constituting the general public; and

- (B) An established market price is a current price, established in the usual course of trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or *contractor* .
- (iv) Each *service employee* who will perform the services under the *contract* will spend only a small portion of his or her time (a monthly average of less than 20 percent of the available hours on an annualized basis, or less than 20 percent of available hours during the *contract* period if the *contract* period is less than a month) servicing the Government *contract* .
- (v) The *contractor* will use the same compensation (wage and fringe benefits) plan for all service employees performing work under the *contract* as the *contractor* uses for these employees and equivalent employees servicing commercial customers.
- (vi) The contracting officer (or contractor with respect to a subcontract) determines in advance before issuing the solicitation, based on the nature of the contract requirements and knowledge of the practices of likely offerors, that all or nearly all offerors will meet the conditions in paragraph (d)(2)(ii) through (v) of this subsection. If the services are currently being performed under contract, the contracting officer (or contractor with respect to a subcontract) shall consider the practices of the existing contractor in making a determination regarding the conditions in paragraphs (d)(2)(ii) through (v) of this subsection.

(vii)

or

- (A) The apparent successful *offeror* certifies that the conditions in paragraphs (d)(2)(ii) through (v) will be met; and
- (B) For other than sole source awards, the *contracting officer* determines that the same certification is obtained from substantially all other offerors that are-
 - (1) In the competitive range, if discussions are to be conducted (see FAR <u>15.306(c)</u>);
- (2) Considered responsive, if award is to be made without discussions (see FAR 15.306(a)).
 - (3) Contract award or resolicitation.
- (i) If the apparent successful *offeror* does not certify to the conditions, the *contracting officer shall* insert in the *contract* the applicable *Service Contract* Labor Standards clause(s) (see <u>22.1006</u>) and, if the *contract* will exceed \$2,500, the appropriate Department of Labor *wage determination* (see <u>22.1007</u>).
- (ii) The *contracting officer shall* award the *contract* without the otherwise applicable *Service Contract* Labor Standards clause(s) if-
- (A) The apparent successful *offeror* certifies to the conditions in paragraphs (d)(2)(ii) through (v) of this subsection;

- (B) The *contracting officer* determines that the same certification is obtained from substantially all other offerors that are-
 - (1) In the competitive range, if discussions are to be conducted (see FAR 15.306); or
- (2) Considered responsive, if award is to be made without discussions (see FAR 15.306(a)); and
 - (C) The *contracting officer* has no reason to doubt the certification.
- (iii) If the conditions in paragraph (d)(3)(ii) of this subsection are not met, then the contracting officer shall resolicit, amending the solicitation by removing the exemption provision from the solicitation as prescribed at 22.1006(e)(3). The contract will include the applicable Service Contract Labor Standards clause(s) as prescribed at 22.1006 and, if the contract will exceed \$2,500, the appropriate Department of Labor wage determination (see 22.1007).
 - (4) Department of Labor determination.
- (i) If the Department of Labor determines after award of the *contract* that any conditions for exemption at paragraph (d)(2) of this subsection have not been met, the exemption *shall* be deemed inapplicable, and the *contract shall* become subject to the *Service Contract* Labor Standards statute. In such case, the procedures at 29 CFR 4.123(e)(2)(iii) and 29 CFR 4.5(c) *shall* be followed.
- (ii) If the Department of Labor determines that any conditions in paragraph (d)(2) of this subsection have not been met with respect to a subcontract, the exemption shall be deemed inapplicable. The contractor may be responsible for ensuring that the subcontractor complies with the Service Contract Labor Standards statute, effective as of the date of the subcontract award.
- (5) Exceptions. The exemption at paragraph (d)(1) of this subsection does not apply to solicitations and contracts (subcontracts)-
- (i) Awarded under , <u>41 U.S.C. chapter 85</u>, Committee for Purchase from People Who Are Blind or Severely Disabled (see <u>subpart 8.7</u>).
- (ii) For the operation of a Government facility, or part of a Government facility (but *may* be applicable to subcontracts for services); or
 - (iii) Subject to 41 U.S.C. 6707(c) (see 22.1002-3).

22.1003-5 Some examples of contracts covered.

The following examples, while not definitive or exclusive, illustrate some of the types of services that have been found to be covered by the *Service Contract* Labor Standards statute (see 29 CFR4.130 for additional examples):

- (a) Motor pool operation, parking, taxicab, and ambulance services.
- (b) Packing, crating, and storage.
- (c) Custodial, janitorial, housekeeping, and guard services.

- (d) Food service and lodging.
- (e) Laundry, dry-cleaning, linen-supply, and clothing alteration and repair services.
- (f) Snow, trash, and garbage removal.
- (g) Aerial spraying and aerial reconnaissance for fire detection.
- (h) Some support services at installations, including grounds maintenance and landscaping.
- (i) Certain specialized services requiring specific skills, such as drafting, illustrating, graphic arts, stenographic reporting, or mortuary services.
 - (j) Electronic equipment maintenance and operation and engineering support services.
- (k) Maintenance and repair of all types of equipment, for example, aircraft, engines, electrical motors, vehicles, and electronic, office and related business and *construction* equipment. (But see 22.1003-4(c)(1) and (d)(1)(iv).)
 - (l) Operation, maintenance, or logistics support of a Federal facility.
 - (m) Data collection, processing and analysis services.

22.1003-6 Repair distinguished from remanufacturing of equipment.

- (a) Contracts principally for remanufacturing of equipment which is so extensive as to be equivalent to manufacturing are subject to 41 U.S.C. chapter 65, rather than to the Service *Contract* Labor Standards statute. Remanufacturing *shall* be deemed to be manufacturing when the criteria in either paragraphs (a)(1) or (a)(2) of this section are met.
- (1) Major overhaul of an item, piece of equipment, or material which is degraded or inoperable, and under which all of the following conditions exist:
- (i) The item or equipment is required to be completely or substantially torn down into individual component parts.
 - (ii) Substantially all of the parts are reworked, rehabilitated, altered and/or replaced.
 - (iii) The parts are reassembled so as to furnish a totally rebuilt item or piece of equipment.
- (iv) Manufacturing processes similar to those which were used in the manufacturing of the item or piece of equipment are utilized.
- (v) The disassembled components, if usable (except for situations where the number of items or pieces of equipment involved are too few to make it practicable) are commingled with existing inventory and, as such, lose their identification with respect to a particular piece of equipment.
- (vi) The items or equipment overhauled are restored to original life expectancy, or nearly so.
 - (vii) Such work is performed in a facility owned or operated by the contractor.

- (2) Major modification of an item, piece of equipment, or material which is wholly or partially obsolete, and under which all of the following conditions exist:
 - (i) The item or equipment is required to be completely or substantially torn down.
 - (ii) Outmoded parts are replaced.
 - (iii) The item or equipment is rebuilt or reassembled.
- (iv) The *contract* work results in the furnishing of a substantially modified item in a usable and serviceable condition.
 - (v) The work is performed in a facility owned or operated by the *contractor*.
- (b) Remanufacturing does not include the repair of damaged or broken equipment which does not require a complete teardown, overhaul, and rebuild as described in subparagraphs(a)(1) and (a)(2) of this subsection, or the periodic and routine maintenance, preservation, care, adjustment, upkeep, or servicing of equipment to keep it in usable, serviceable, working order. Such contracts typically are billed on an hourly rate (labor plus materials and parts) basis. Any *contract* principally for this type of work is subject to the *Service Contract* Labor Standards statute. Examples of such work include the following:
- (1) Repair of an automobile, truck, or other vehicle, *construction* equipment, tractor, crane, aerospace, air conditioning and refrigeration equipment, electric motors, and ground powered industrial or vehicular equipment.
 - (2) Repair of typewriters and other office equipment (but see $\underline{22.1003-4}(c)(1)$ and $\underline{(d)(1)(iv)}$).
 - (3) Repair of appliances, radios, television sets, calculators, and other electronic equipment.
- (4) Inspecting, testing, calibration, painting, packaging, lubrication, tune-up, or replacement of internal parts of equipment listed in subparagraphs(b)(1), (b)(2), and (b)(3) of this subsection.
 - (5) Reupholstering, reconditioning, repair, and refinishing of furniture.

22.1003-7 Questions concerning applicability of the Service Contract Labor Standards statute.

If the *contracting officer* questions the applicability of the *Service Contract* Labor Standards statute to an *acquisition*, the *contracting officer shall* request the advice of the *agency labor advisor*. Unresolved questions *shall* be submitted in a timely manner to the *Administrator*, *Wage and Hour Division*, for determination.

22.1004 Department of Labor responsibilities and regulations.

Under the *Service Contract* Labor Standards statute, the *Secretary* of Labor is authorized and directed to enforce the provisions of the *Service Contract* Labor Standards statute, make rules and regulations, issue orders, hold hearings, make decisions, and take other appropriate action. The Department of Labor has issued implementing regulations on such matters as-

- (a) Service contract labor standards provisions and procedures (29 CFR Part 4, SubpartA);
- (b) Wage determination procedures (29 CFR Part 4, subparts A and B);
- (c) Application of the *Service Contract* Labor Standards statute (rulings and interpretations) (29 CFR Part 4, SubpartC);
 - (d) Compensation standards (29 CFR Part 4, SubpartD);
 - (e) Enforcement (29 CFR Part 4, SubpartE);
 - (f) Safe and sanitary working conditions (29 CFR Part 1925);
- (g) Rules of practice for administrative proceedings enforcing *service contract* labor standards (29 CFR Part 6); and
 - (h) Practice before the Administrative Review Board (29 CFR Part 8).

22.1005 [Reserved]

22.1006 Solicitation provisions and contract clauses.

(a)

- (1) The contracting officer shall insert the clause at 52.222-41, Service Contract Labor Standards, in solicitations and contracts (except as provided in paragraph (a)(2) of this section) if the contract is subject to the Service Contract Labor Standards statute and is-
 - (i) Over \$2,500; or
- (ii) For an indefinite dollar amount and the *contracting officer* does not know in advance that the *contract* amount will be \$2,500 or less.
- (2) The *contracting officer shall* not insert the clause at <u>52.222-41</u> (or any of the associated *Service Contract* Labor Standards statute clauses as prescribed in this section for possible use when <u>52.222-41</u> applies) in the resultant *contract* if-
 - (i) The solicitation includes the provision at-
- (A) <u>52.222-48</u>, Exemption from Application of the *Service Contract* Labor Standards statute to Contracts for Maintenance, Calibration, or Repair of Certain Equipment-Certification;
- (B) <u>52.222-52</u>, Exemption from Application of the *Service Contract* Labor Standards statute to Contracts for Certain Services-Certification; or
- (C) Either of the comparable certifications is checked as applicable in the provision at 52.204-8(c)(2) or 52.212-3(k); and
- (ii) The contracting officer has made the determination, in accordance with paragraphs (c)(3) or (d)(3) of subsection 22.1003-4, that the Service Contract Labor Standards statute does not apply to the contract. (In such case, insert the clause at 52.222-51, Exemption from Application of

the *Service Contract* Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment-Requirements, or 52.222-53, Exemption from Application of the *Service Contract* Labor Standards to Contracts for Certain Services-Requirements, in the *contract*, in accordance with the prescription at paragraph (e)(2)(ii) or (e)(4)(ii) of this subsection).

(b) The *contracting officer shall* insert the clause at <u>52.222-42</u>, Statement of Equivalent Rates for Federal Hires, in solicitations and contracts if the *contract* amount is expected to be over \$2,500 and the *Service Contract* Labor Standards statute is applicable. (See <u>22.1016</u>.)

(c)

- (1) The contracting officer shall insert the clause at <u>52.222-43</u>, Fair Labor Standards Act and Service Contract Labor Standards-Price Adjustment (Multiple Year and Option Contracts), or another clause which accomplishes the same purpose, in solicitations and contracts if the contract is expected to be a fixed-price, time-and-materials, or labor-hour service contract containing the clause at 52.222-41, Service Contract Labor Standards, and is a multiple year contract or is a contract with options to renew which exceeds the *simplified acquisition threshold*. The clause may be used in contracts that do not exceed the simplified acquisition threshold. The clause at 52.222-43, Fair Labor Standards Act and Service Contract Labor Standards-Price Adjustment (Multiple Year and Option Contracts), applies to both contracts subject to area prevailing wage determinations and contracts subject to the incumbent contractor's collective bargaining agreement in effect during this contract's preceding contract period (see <u>22.1002-2</u> and <u>22.1002-3</u>). Contracting officers shall ensure that contract prices or contract unit price labor rates are adjusted only to the extent that a contractor's increases or decreases in applicable wages and fringe benefits are made to comply with the requirements set forth in the clauses at 52.222-43 (subparagraphs(d)(1), (2) and (3)), or 52.222-44(subparagraphs(b)(1) and (2)). (For example, the prior year wage determination required a minimum wage rate of \$4.00 per hour. The contractor actually paid \$4.10. The new wage determination increases the minimum rate to \$4.50. The contractor increases the rate actually paid to \$4.75 per hour. The allowable price adjustment is \$.40 per hour.)
- (2) The contracting officer shall insert the clause at 52.222-44, Fair Labor Standards Act and Service Contract Labor Standards-Price Adjustment, in solicitations and contracts if the contract is expected to be a fixed-price, time-and-materials, or labor-hour service contract containing the clause at 52.222-41, Service Contract Labor Standards, exceeds the simplified acquisition threshold, and is not a multiple year contract or is not a contract with options to renew. The clause may be used in contracts that do not exceed the simplified acquisition threshold. The clause at 52.222-44, Fair Labor Standards Act and Service Contract Labor Standards-Price Adjustment, applies to both contracts subject to area prevailing wage determinations and contracts subject to contractor collective bargaining agreements (see 22.1002-2 and 22.1002-3).
- (3) The clauses prescribed in paragraph 22.1006(c)(1) cover situations in which revised minimum wage rates are applied to contracts by operation of law, or by revision of a *wage* determination in connection with (i) exercise of a *contract option* or (ii) extension of a multiple year *contract* into a new program year. If a clause prescribed in 16.203-4(d) is used, it *must* not conflict with, or duplicate payment under, the clauses prescribed in this paragraph 22.1006(c).

(d) [Reserved]

(e)

(1) The contracting officer shall insert the provision at 52.222-48, Exemption from Application of the

Service Contract Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment-Certification, in solicitations that-

- (i) Include the clause at <u>52.222-41</u>, Service Contract Labor Standards; and
- (ii) The *contract may* be exempt from the *Service Contract* Labor Standards statute in accordance with 22.1003-4(c).
- (2) The *contracting officer shall* insert the clause at <u>52.222-51</u>, Exemption from Application of the *Service Contract* Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment-Requirements-
- (i) In solicitations that include the provision at 52.222-48, or the comparable provision is checked as applicable in the clause at 52.204-8(c)(2)(iii) or 52.212-3(k)(1); and
- (ii) In resulting contracts in which the *contracting officer* has determined, in accordance with 22.1003-4(c)(3), that the *Service Contract* Labor Standards statute does not apply.

(3)

- (i) Except as provided in paragraph (e)(3)(ii) of this section, the *contracting officer shall* insert the provision at <u>52.222-52</u>, Exemption from Application of the *Service Contract* Labor Standards to Contracts for Certain Services--Certification, in solicitations that-
 - (A) Include the clause at <u>52.222-41</u>, Service Contract Labor Standards, and
- (B) The *contract may* be exempt from the *Service Contract* Labor Standards statute in accordance with 22.1003-4(d).
- (ii) When resoliciting in accordance with 22.1003-4(d)(3)(iii), amend the *solicitation* by removing the provision at 52.222-52 from the *solicitation*.
- (4) The *contracting officer shall* insert the clause at <u>52.222-53</u>, Exemption from Application of the *Service Contract* Labor Standards to Contracts for Certain Services-Requirements-
- (i) In solicitations that include the provision at 52.222-52, or the comparable provision is checked as applicable in 52.204-8(c)(2) or 52.212-3(k)(2); and
- (ii) In resulting contracts in which the *contracting officer* has determined, in accordance with <u>22.1003-4</u>(d)(3), that the *Service Contract* Labor Standards statute does not apply.
- (f) The *contracting officer shall* insert the clause at <u>52.222-49</u>, *Service Contract* Labor Standards-Place of Performance Unknown, if using the procedures prescribed in <u>22.1009-4</u>.

22.1007 Requirement to obtain wage determinations.

The *contracting officer shall* obtain wage determinations for the following service contracts:

- (a) Each new solicitation and contract in excess of \$2,500.
- (b) Each contract modification which brings the contract above \$2,500 and-

- (1) Extends the existing contract pursuant to an option clause or otherwise; or
- (2) Changes the scope of the *contract* whereby labor requirements are affected significantly.
- (c) Each multiple year contract in excess of \$2,500 upon-
 - (1) Annual anniversary date if the *contract* is subject to annual appropriations; or
- (2) Biennial anniversary date if the *contract* is not subject to annual appropriations and its proposed term exceeds 2 years-unless otherwise advised by the *Wage and Hour Division* .

22.1008 Procedures for obtaining wage determinations.

22.1008-1 Obtaining wage determinations.

- (a) Contracting officers may obtain most prevailing wage determinations using the Wage Determinations at SAM.gov website. Contracting officers may also use the Department of Labor's e98 electronic process, located on the Wage Determinations at SAM.gov website, to request a wage determination directly from the Department of Labor. If the Wage Determinations at SAM.gov database does not contain the applicable prevailing wage determination for a contract action, the contracting officer must use the e98 process to request a wage determination from the Department of Labor.
- (b) In using the *e98* process to obtain prevailing wage determinations, *contracting* officers *shall* provide as complete and accurate information on the *e98* as possible. *Contracting* officers *shall* ensure that the email address submitted on an *e98* request is accurate.
- (c) The contracting officer must anticipate the amount of time required to gather the information necessary to obtain a wage determination , including sufficient time, if necessary, to contact the Department of Labor to request wage determinations that are not available through use of the Wage Determinations at SAM.gov.
- (d) Although the Wage Determinations at SAM.gov website provides assistance to the contracting agency to select the correct wage determination, the contracting agency remains responsible for the wage determination selected. If the contracting agency has used the e98 process, the Department of Labor will respond to the contracting agency based on the information provided on the e98. The contracting agency may rely upon the Department of Labor response as the correct wage determination for the contract.
- (e) To obtain the applicable wage determination for each contract action, the contracting officer shall determine the following information concerning the service employees expected to be employed by the contractor and any subcontractors in performing the contract:
- (1) Determine the classes of service employees to be utilized in performance of the *contract* using the *Wage and Hour Division* 's *Service Contract Act Directory of Occupations* (Directory). The Directory can be found on Wage Determinations at *SAM.gov* Library Page, and is for sale by the Superintendent of Documents, U.S. Government Publishing Office.
 - (2) Determine the locality where the services will be performed (see 22.1009).
 - (3) Determine whether <u>41 U.S.C. 6707(c)</u> applies (see <u>22.1008-2</u>, <u>22.1010</u> and <u>22.1002-2</u>).

- (4) Determine the wage rate that would be paid each class if employed by the agency and subject to the wage provisions of <u>5 U.S.C. 5341</u> and/or 5332 (see <u>22.1016</u>).
- (f) If the *contracting officer* has questions regarding the procedures for obtaining a *wage determination*, or questions regarding the selection of a *wage determination*, the *contracting officer should* request assistance from the *agency labor advisor*.

22.1008-2 Successorship with incumbent contractor collective bargaining agreement.

- (a) Early in the acquisition cycle, the contracting officer shall determine whether $\underline{41~U.S.C.}$ $\underline{6707(c)}$ affects the new acquisition . The contracting officer shall determine whether there is a predecessor contract covered by the Service Contract Labor Standards statute and, if so, whether the incumbent prime contractor or its subcontractors and any of their employees have a collective bargaining agreement.
- (b) <u>41 U.S.C. 6707(c)</u> provides that a successor *contractor must* pay *wages* and fringe benefits (including accrued *wages* and benefits and prospective increases) to service employees at least equal to those agreed upon by a predecessor *contractor* under the following conditions:
- (1) The services to be furnished under the proposed *contract* will be substantially the same as services being furnished by an incumbent *contractor* whose *contract* the proposed *contract* will succeed.
 - (2) The services will be performed in the same locality.
- (3) The incumbent *prime contractor* or *subcontractor* is furnishing such services through the use of service employees whose *wages* and fringe benefits are the subject of one or more collective bargaining agreements.
 - (c) The application of 41 U.S.C. 6707(c) is subject to the following limitations:
- (1) $\underline{41~\text{U.S.C.}}$ 6707(c) will not apply if the incumbent *contractor* enters into a collective bargaining agreement for the first time and the agreement does not become effective until after the expiration of the incumbent's *contract*.
- (2) If the incumbent *contractor* enters into a new or revised collective bargaining agreement during the period of the incumbent's performance on the current *contract*, the terms of the new or revised agreement *shall* not be effective for the purposes of 41 U.S.C. 6707(c) under the following conditions:

(i)

- (A) In sealed bidding, the *contracting* agency receives notice of the terms of the collective bargaining agreement less than 10 days before bid opening and finds that there is not reasonable time still available to notify bidders (see 22.1012-2(a)); or
- (B) For contractual actions other than sealed bidding, the *contracting* agency receives notice of the terms of the collective bargaining agreement after award, provided that the start of performance is within 30 days of award (see <u>22.1012-2(b)</u>); and
 - (ii) The contracting officer has given both the incumbent contractor and its employees'

collective bargaining *agent* timely written notification of the applicable *acquisition* dates (see 22.1010).

(d)

- (1) If $\underline{41~\text{U.S.C.}}$ 6707(c) applies, the contracting officer shall obtain a copy of any collective bargaining agreement between an incumbent contractor or subcontractor and its employees. Obtaining a copy of an incumbent contractor's collective bargaining agreement may involve coordination with the administrative contracting officer responsible for administering the predecessor contract . (Paragraph (m) of the clause at $\underline{52.222-41}$, Service Contract Labor Standards, requires the incumbent prime contractor to furnish the contracting officer a copy of each collective bargaining agreement.)
- (2) If the contracting officer has timely received the collective bargaining agreement, the contracting officer may use the Wage Determinations at SAM.gov website to prepare a wage determination referencing the agreement and incorporate that wage determination , attached to a complete copy of the collective bargaining agreement, into the successor contract action. In using the Wage Determinations at SAM.gov process, it is not necessary to submit a copy of the collective bargaining agreement to the Department of Labor unless requested to do so.
- (3) The contracting officer may also use the e98 process on Wage Determinations at SAM.gov to request that the Department of Labor prepare the cover wage determination. The Department of Labor's response to the e98 may include a request for the contracting officer to submit a complete copy of the collective bargaining agreement. Any questions regarding the applicability of the Service Contract Labor Standards statute to a collective bargaining agreement should be directed to the agency labor advisor.

(e)

- (1) $\underline{41~U.S.C.~6707(c)}$ will not apply if the Secretary of Labor determines (i) after a hearing, that the wages and fringe benefits in the predecessor contractor 's collective bargaining agreement are substantially at variance with those which prevail for services of a similar character in the locality, or (ii) that the wages and fringe benefits in the predecessor contractor 's collective bargaining agreement are not the result of arm's length negotiations (see $\underline{22.1013}$ and $\underline{22.1021}$). The Department of Labor (DOL) has concluded that contingent collective bargaining agreement provisions that attempt to limit a contractor 's obligations by means such as requiring issuance of a $wage\ determination$ by the DOL, requiring inclusion of the $wage\ determination$ in the contract, or requiring the Government to adequately reimburse the contractor, generally reflect a lack of arm's length negotiations.
- (2) If the *contracting officer* 's review (see <u>22.1013</u>) indicates that monetary provisions of the collective bargaining agreement *may* be substantially at variance or *may* not have been reached as a result of arm's length bargaining, the *contracting officer shall* immediately contact the *agency labor advisor* to consider if further action is warranted.
- (f) If the services are being furnished at more than one location and the collectively bargained wage rates and fringe benefits are different at different locations or do not apply to one or more locations, the *contracting officer shall* identify the locations to which the agreements apply.
- (g) If the collective bargaining agreement does not apply to all service employees under the contract , the contracting officer shall access Wage Determinations at SAM.gov to obtain the

prevailing wage determination for those service employee classifications that are not covered by the collective bargaining agreement. The contracting officer shall separately list in the solicitation and contract the service employee classifications-

- (1) Subject to the collective bargaining agreement; and
- (2) Not subject to any collective bargaining agreement.

22.1009 Place of performance unknown.

22.1009-1 General.

If the place of performance is unknown, the *contracting officer may* use the procedures in this section. The *contracting officer should* first attempt to identify the specific places or geographical areas where the services might be performed (see $\underline{22.1009-2}$) and then *may* follow the procedures either in $\underline{22.1009-3}$ or in $\underline{22.1009-4}$.

22.1009-2 Attempt to identify possible places of performance.

The *contracting officer should* attempt to identify the specific places or geographical areas where the services might be performed. The following *may* indicate possible places of performance:

- (a) Locations of previous contractors and their competitors.
- (b) Databases available via the Internet for lists of prospective offerors and contractors.
- (c) Responses to a presolicitation notice (see 5.204).

22.1009-3 All possible places of performance identified.

- (a) If the *contracting officer* can identify all the possible places or areas of performance (even though the actual place of performance will not be known until the successful *offeror* is chosen), the *contracting officer shall* obtain a *wage determination* for each locality where services *may* be performed (see <u>22.1008</u>).
- (b) If the *contracting officer* subsequently learns of any potential offerors in previously unidentified places before the closing date for submission of offers, the *contracting officer shall* -
- (1) Obtain wage determinations for the additional places of performance and amend the *solicitation* to include all wage determinations. If necessary, the *contracting officer shall* extend the time for submission of final offers; and
 - (2) Follow the procedures in 22.1009-4.

22.1009-4 All possible places of performance not identified.

If the *contracting officer* believes that there *may* be offerors interested in performing in unidentified places or areas, the *contracting officer may* use the following procedures:

- (a) Include the following information in the synopsis and solicitation:
 - (1) That the place of performance is unknown.
- (2) The possible places or areas of performance that the *contracting officer* has already identified.
- (3) That the *contracting officer* will obtain wage determinations for additional possible places of performance if asked to do so *in writing* .
- (4) The time and date by which offerors must notify the contracting of additional places of performance.
- (b) Include the information required by paragraphs (a)(2) and (a)(4) of this section in the clause at 52.222-49, Service Contract Labor Standards-Place of Performance Unknown (see 22.1006(f)). The closing date for receipt of offerors' requests for wage determinations for additional possible places of performance should allow reasonable time for potential offerors to review the solicitation and determine their interest in competing. Generally, 10 to 15 days from the date of issuance of the solicitation may be considered a reasonable period of time.
- (c) The procedures in $\underline{14.304}$ shall apply to late receipt of offerors' requests for wage determinations for additional places of performance. However, late receipt of an *offeror* 's request for a *wage determination* for additional places of performance does not preclude the *offeror* 's competing for the proposed *acquisition* .
- (d) If the $contracting\ officer$ receives any timely requests for wage determinations for additional places of performance the $contracting\ officer\ shall$ -
 - (1) Obtain wage determinations for the additional places of performance; and
- (2) Amend the *solicitation* to include all wage determinations and, if necessary, extend the time for submission of final offers.
- (e) If the successful $\it offeror$ did not make a timely request for a $\it wage \ determination$ and will perform in a place of performance for which the $\it contracting \ officer$ therefore did not request a $\it wage \ determination$, the $\it contracting \ officer \ shall$ -
 - (1) Award the contract;
 - (2) Obtain a wage determination; and
- (3) Incorporate the *wage determination* in the *contract*, retroactive to the date of *contract* award and with no adjustment in *contract* price, pursuant to the clause at <u>52.222-49</u>, *Service Contract* Labor Standards-Place of Performance Unknown.

22.1010 Notification to interested parties under collective bargaining agreements.

(a) The contracting officer should determine whether the incumbent prime contractor 's or its

subcontractors' service employees performing on the current *contract* are represented by a collective bargaining *agent*. If there is a collective bargaining *agent*, the *contracting officer shall* give both the incumbent *contractor* and its employees' collective bargaining *agent* written notification of-

- (1) The forthcoming successor contract and the applicable acquisition dates (issuance of solicitation, opening of bids, commencement of negotiations, award of contract, or start of performance, as the case may be); or
- (2) The forthcoming *contract modification* and applicable *acquisition* dates (exercise of *option*, extension of *contract*, change in scope, or start of performance, as the case *may* be); or
- (3) The forthcoming multiple year *contract* anniversary date (annual anniversary date or biennial date, as the case *may* be).
- (b) This written notification *must* be given at least 30 days in advance of the earliest applicable *acquisition* date or the applicable annual or biennial anniversary date in order for the time-of-receipt limitations in paragraphs <u>22.1012-2</u>(a) and (b) to apply. The *contracting officer shall* retain a copy of the notification in the *contract* file.

22.1011 [Reserved]

22.1012 Applicability of revisions to wage determinations.

22.1012-1 Prevailing wage determinations.

(a)

- (1) The Wage and Hour $Administrator\ may$ issue revisions to prevailing wage determinations periodically. The need for inclusion of a revised prevailing wage determination in a solicitation, contract or contract modification (see 22.1007) is determined by the date of receipt of the revised prevailing wage determination by the contracting agency. (Note the distinction between receipt by the agency and receipt by the contracting officer which may occur later.)
- (i) For purposes of using Wage Determinations at *SAM.gov*, the time of receipt by the *contracting* agency *shall* be the first *day* of publication of the revised prevailing *wage determination* on the website.
- (ii) For purposes of using the *e98* process, the time of receipt by the *contracting* agency *shall* be the date the agency receives actual notice of a new or revised prevailing *wage determination* from the Department of Labor as an *e98* response.
- (2) In selecting a prevailing wage determination from the Wage Determinations at SAM.gov website for use in a solicitation or other contract action, the contracting officer shall monitor the Wage Determinations at SAM.gov website to determine whether the applicable wage determination has been revised. Revisions published on the Wage Determinations at SAM.gov website or otherwise communicated to the contracting officer within the timeframes prescribed at 22.1012-1(b) and (c) are effective and must be included in the resulting contract. Monitoring can be accomplished by use of the Wage Determinations at SAM.gov website's "Alert Service".

- (b) The following shall apply when contracting by sealed bidding: a revised prevailing wage determination shall not be effective if it is received by the contracting agency less than 10 days before the opening of bids, and the contracting officer finds that there is not reasonable time to incorporate the revision in the solicitation.
- (c) For contractual actions other than sealed bidding, a revised prevailing wage determination received by the contracting agency after award of a new contract or a modification as specified in 22.1007(b) shall not be effective provided that the start of performance is within 30 days of the award or the specified modification. If the contract does not specify a start of performance date which is within 30 days of the award or the specified modification, and if contract performance does not commence within 30 days of the award or the specified modification, any revision received by the contracting agency not less than 10 days before commencement of the work shall be effective.
- (d) If the *contracting officer* has submitted an *e98* to the Department of Labor requesting a prevailing *wage determination* and has not received a response within 10 days, the *contracting officer shall* contact the *Wage and Hour Division* by telephone to determine when the *wage determination* can be expected. (The telephone number is provided on the *e98* website.)

22.1012-2 Wage determinations based on collective bargaining agreements.

- (a) In sealed bidding, a new or changed collective bargaining agreement shall not be effective under $\underline{41~U.S.C.~6707(c)}$ if the contracting agency has received notice of the terms of the new or changed collective bargaining agreement less than 10 days before bid opening and the contracting officer determines that there is not reasonable time to incorporate the new or changed terms of the collective bargaining agreement in the solicitation.
- (b) For contractual actions other than sealed bidding, a new or changed collective bargaining agreement *shall* not be effective under 41 U.S.C. 6707(c) if notice of the terms of the new or changed collective bargaining agreement is received by the *contracting* agency after award of a successor *contract* or a modification as specified in 22.1007(b), provided that the *contract* start of performance is within 30 days of the award of the *contract* or of the specified modification. If the *contract* or of the specified modification, or if *contract* performance does not commence within 30 days of the award of the *contract* or of the specified modification, any notice of the terms of a new or changed collective bargaining agreement received by the agency not less than 10 days before commencement of the work *shall* be effective for purposes of the successor *contract* under 41 U.S.C. 6707(c).
- (c) The limitations in paragraphs (a) and (b) of this subsection *shall* apply only if timely notification required in <u>22.1010</u> has been given.
- (d) If the contracting officer has submitted an e98 to Department of Labor requesting a wage determination based on a collective bargaining agreement and has not received a response from the Department of Labor within 10 days, the contracting officer shall contact the Wage and Hour Division by telephone to determine when the wage determination can be expected. (The telephone number is provided on the e98 website.) If the Department of Labor is unable to provide the wage determination by the latest date needed to maintain the acquisition schedule, the contracting officer shall incorporate the collective bargaining agreement itself in a solicitation or other contract action (e.g., exercise of option) and include a wage determination referencing that collective bargaining agreement created by use of the Wage Determinations at SAM.gov website (see 22.1008-1(d)(2)).

22.1013 Review of wage determination.

- (a) Based on incumbent collective bargaining agreement. (1)If wages , fringe benefits, or periodic increases provided for in a collective bargaining agreement vary substantially from those prevailing for similar services in the locality, the contracting officer shall immediately contact the agency labor advisor to consider instituting the procedures in 22.1021.
- (1) If the *contracting officer* believes that an incumbent or predecessor *contractor* 's agreement was not the result of arm's length negotiations, the *contracting officer shall* contact the *agency labor advisor* to determine appropriate action.
- (b) Based on other than incumbent collective bargaining agreement. Upon receiving a wage determination not predicated upon a collective bargaining agreement, the contracting officer shall ascertain-
- (1) If the *wage determination* does not conform with *wages* and fringe benefits prevailing for similar services in the locality; or
- (2) If the *wage determination* contains significant errors or omissions. If either subparagraph (b)(1) or (b)(2) of this section is evident, the *contracting officer shall* contact the *agency labor advisor* to determine appropriate action.

22.1014 Delay over 60 days in bid opening or commencement of work.

If a wage determination was obtained through the e98 process, and bid opening, or commencement of work under a negotiated contract has been delayed, for whatever reason, more than 60 days from the date indicated on the previously submitted e98, the contracting officer shall submit a new e98. Any revision of a wage determination received by the contracting agency as a result of that communication shall supersede the earlier response as the wage determination applicable to the particular acquisition subject to the time frames in 22.1012-1(b) and (c).

22.1015 Discovery of errors by the Department of Labor.

If the Department of Labor discovers and determines, whether before or after a contract award, that a contracting officer made an erroneous determination that the Service Contract Labor Standards statute did not apply to a particular acquisition or failed to include an appropriate wage determination in a covered contract, the contracting officer, within 30 days of notification by the Department of Labor, shall include in the contract the clause at $\underline{52.222-41}$ and any applicable wage determination issued by the Administrator. If the contract is subject to $\underline{41}$ U.S.C. $\underline{6707(c)}$, the Administrator may require retroactive application of that wage determination. The contracting officer shall equitably adjust the contract price to reflect any changed cost of performance resulting from incorporating a wage determination or revision.

22.1016 Statement of equivalent rates for Federal hires.

(a) The statement required under the clause at 52.222-42, Statement of Equivalent Rates for Federal Hires, (see 22.1006(b)) *shall* set forth those wage rates and fringe benefits that would be

paid by the *contracting activity* to the various classes of service employees expected to be utilized under the *contract* if 5 <u>U.S.C.5332</u> (General Schedule-white collar) and/or 5 <u>U.S.C.5341</u> (Wage Board-blue collar) were applicable.

- (b) Procedures for computation of these rates are as follows:
- (1) Wages paid blue collar employees shall be the basic hourly rate for each class. The rate shall be Wage Board pay schedule step two for nonsupervisory service employees and step three for supervisory service employees.
- (2) *Wages* paid white collar employees *shall* be an hourly rate for each class. The rate *shall* be obtained by dividing the general pay schedule step one biweekly rate by 80.
- (3) Local civilian personnel offices can assist in determining and providing grade and salary data.

22.1017 [Reserved]

22.1018 Notification to contractors and employees.

The *contracting officer shall* take the following steps to ensure that service employees are notified of minimum *wages* and fringe benefits.

- (a) As soon as possible after *contract* award, inform the *contractor* of the labor standards requirements of the *contract* relating to the *Service Contract* Labor Standards statute and of the *contractor* 's responsibilities under these requirements, unless it is clear that the *contractor* is fully informed.
- (b) At the time of award, furnish the *contractor* Department of Labor Publication WH-1313, Notice to Employees Working on Government Contracts, for posting at a prominent and accessible place at the worksite before *contract* performance begins. The publication advises employees of the compensation (*wages* and fringe benefits) required to be paid or furnished under the *Service Contract* Labor Standards statute and satisfies the notice requirements in paragraph (g) of the clause at 52.222-41, *Service Contract* Labor Standards.
 - (c) Attach any applicable wage determination to Publication WH-1313.

22.1019 Additional classes of service employees.

(a) If the contracting officer is aware that contract performance involves classes of service employees not included in the wage determination , the contracting officer shall require the contractor to classify the unlisted classes so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between the unlisted classifications and the classifications listed in the determination (see paragraph (c) of the clause at 52.222-41, Service Contract Labor Standards). The contractor shall initiate the conforming procedure before unlisted classes of employees perform contract work. The contractor shall submit Standard Form (SF) 1444, Request For Authorization of Additional Classification and Rate. The contracting officer shall review the proposed classification and rate and promptly submit the completed SF 1444 (which must include information regarding the agreement or disagreement of the employees' representative or the employees themselves together

with the agency recommendation) and all other pertinent information to the *Wage and Hour Division*. Within 30 days of receipt of the request, the *Wage and Hour Division* will (1) approve, modify, or disapprove the request when the parties are in agreement or (2) render a final determination in the event of disagreement among the parties. If the *Wage and Hour Division* will require more than 30 days to take action, it will notify the *contracting officer* within 30 days of receipt of the request that additional time is necessary.

- (b) Some wage determinations will list a series of classes within a job classification family, for example, Computer Operators, level I, II, and III, or Electronic Technicians, level I, II, and III, or Clerk Typist, level I and II. Generally, level I is the lowest level. It is the entry level, and establishment of a lower level through conformance is not permissible. Further, *trainee* classifications *may* not be conformed. Helpers in skilled maintenance trades (for example, electricians, machinists, and automobile mechanics) whose duties constitute, in fact, separate and distinct jobs *may* also be used if listed on the *wage determination*, but *may* not be conformed. Conformance *may* not be used to artificially split or subdivide classifications listed in the *wage determination*. However, conforming procedures *may* be used if the work which an *employee* performs under the *contract* is not within the scope of any classification listed on the *wage determination*, regardless of job title. (See 29 CFR 4.152.)
- (c) Subminimum rates for apprentices, student learners, and disabled workers are permissible in accordance with paragraph (q) of the clause at <u>52.222-41</u>, *Service Contract* Labor Standards.

22.1020 Seniority lists.

If a contract is performed at a Federal facility where employees may be hired/retained by a succeeding contractor, the incumbent $prime\ contractor$ is required to furnish a certified list of all service employees on the contractor's or subcontractor's payroll during the last month of the contract, together with anniversary dates of employment, to the $contracting\ officer$ no later than 10 days before contract completion. (See paragraph (n) of the clause at 52.222-41, $Service\ Contract$ Labor Standards.) At the commencement of the succeeding contract, the $contracting\ officer\ shall$ provide a copy of the list to the successor contractor for determining employee eligibility for vacation or other fringe benefits which are based upon length of service, including service with predecessor contractors if such benefit is required by an applicable $wage\ determination$.

22.1021 Request for hearing.

(a) A contracting agency or other interested party may request a hearing on an issue presented in 22.1013(a). To obtain a hearing for the contracting agency, the contracting officer shall submit a written request through appropriate channels (ordinarily the agency labor advisor) to—

Administrator, Wage and Hour Division

U.S. Department of Labor

Washington, DC 20210

(b) A request for a substantial variance hearing *shall* include sufficient data to show that the rates at issue vary substantially from those prevailing for similar services in the locality. The request *shall* also include-

- (1) The number of the wage determinations at issue;
- (2) The name of the *contracting* agency whose *contract* is involved;
- (3) A brief description of the services to be performed under the *contract*;
- (4) The status of the *procurement* and any estimated *procurement* dates, such as *bid* opening, *contract* award, and commencement date of the *contract* or its follow-up *option* period;
- (5) A statement of the applicant's case, setting forth in detail the reasons why the applicant believes that a substantial variance exists with respect to some or all of the *wages* and/or fringe benefits;
 - (6) Names and addresses (to the extent known) of interested parties; and
 - (7) Any other data required by the *Administrator* .
 - (c) A request for an arm's length hearing shall include-
- (1) A statement of the applicant's case, setting forth in detail the reasons why the applicant believes that the *wages* and fringe benefits contained in the collective bargaining agreement were not reached as a result of arm's length negotiations;
- (2) A statement regarding the status of the *procurement* and any estimated *procurement* dates, such as *bid* opening, *contract* award, and commencement date of the *contract* or its follow-up *option* period; and
 - (3) Names and addresses (to the extent known) of interested parties.
- (d) Unless the *Administrator* determines that extraordinary circumstances exist, the *Administrator* will not consider requests for a hearing unless received as follows:
 - (1) For sealed bid contracts, more than 10 days before the award of the contract; or
- (2) For negotiated contracts and for contracts with provisions exceeding the initial term by *option*, before the commencement date of the *contract* or the follow-up *option* period.

22.1022 Withholding of contract payments.

Any violations of the clause at 52.222-41, Service Contract Labor Standards, as amended, renders the responsible contractor liable for the amount of any deductions, rebates, refunds, or underpayments (which includes nonpayment) of compensation due employees performing the contract. The contracting officer may withhold-or, upon written request of the Department of Labor from a level no lower than that of Deputy Regional Administrator, Wage and Hour Division, Department of Labor, shall withhold-the amount needed to pay such underpaid employees from accrued payments due the contractor on the contract, or on any other prime contract (whether subject to the Service Contract Labor Standards statute or not) with the contractor. The agency shall place the amount withheld in a deposit fund. Such withheld funds shall be transferred to the Department of Labor for disbursement to the underpaid employees on order of the Secretary (or authorized representatives), and Administrative Law Judge, or the Administrative Review Board. In addition, the Department of Labor has given blanket approval to forward withheld funds pending completion of an investigation or other administrative proceeding when disposition of withheld funds

remains the final action necessary to close out a contract.

22.1023 Termination for default.

As provided by the *Service Contract* Labor Standards statute, any *contractor* failure to comply with the requirements of the *contract* clauses related to the *Service Contract* Labor Standards statute *may* be grounds for *termination for default* (see paragraph (k) of the clause at <u>52.222-41</u>, *Service Contract* Labor Standards).

22.1024 Cooperation with the Department of Labor.

The contracting officer shall cooperate with Department of Labor representatives in the examination of records, interviews with service employees, and all other aspects of investigations undertaken by the Department. When asked, agencies shall furnish the Wage and Hour Administrator or a designee, any available information on contractors, subcontractors, their contracts, and the nature of the contract services. The contracting officer shall promptly refer, in writing to the appropriate regional office of the Department, apparent violations and complaints received. Employee complaints shall not be disclosed to the employer.

22.1025 Ineligibility of violators.

Persons or firms found to be in violation of the *Service Contract* Labor Standards statute will have an active exclusion record contained in the System for Award Management (see <u>9.404</u>). No Government *contract may* be awarded to any violator so listed because of a violation of the *Service Contract* Labor Standards statute, or to any firm, corporation, partnership, or association in which the violator has a substantial interest, without the approval of the *Secretary* of Labor. This prohibition against award to an *ineligible contractor* applies to both prime and subcontracts.

22.1026 Disputes concerning labor standards.

Disputes concerning labor standards requirements of the *contract* are handled under paragraph (t) of the *contract clause* at <u>52.222-41</u>, *Service Contract* Labor Standards, and not under the clause at <u>52.233-1</u>, Disputes.

Subpart 22.11 - Professional Employee Compensation

22.1101 Applicability.

The *Service Contract* Act of 1965, now codified at <u>41 U.S.C. chapter 67</u>, *Service Contract* Labor Standards, was enacted to ensure that Government contractors compensate their blue-collar service workers and some white-collar service workers fairly, but it does not cover bona fide executive, administrative, or professional employees.

22.1102 Definition.

Professional employee , as used in this subpart, means any person meeting the definition of "employee employed in a bona fide . . . professional capacity" given in 29 CFR541. The term embraces members of those professions having a recognized status based upon acquiring professional knowledge through prolonged study. Examples of these professions include accountancy, actuarial computation, architecture, dentistry, engineering, law, medicine, nursing, pharmacy, the sciences (such as biology, chemistry, and physics, and teaching). To be a professional employee , a person must not only be a professional but must be involved essentially in discharging professional duties.

22.1103 Policy, procedures, and solicitation provision.

All professional employees *shall* be compensated fairly and properly. Accordingly, the *contracting officer shall* insert the provision at 52.222-46, Evaluation of Compensation for Professional Employees, in solicitations for negotiated contracts when the *contract* amount is expected to exceed \$750,000 and services are to be provided which will require meaningful numbers of professional employees. This provision requires that offerors submit for evaluation a total compensation plan setting forth proposed salaries and fringe benefits for professional employees working on the *contract*. Supporting information will include data, such as recognized national and regional compensation surveys and studies of professional, public and private organizations, used in establishing the total compensation structure. Plans indicating unrealistically low *professional employee* compensation *may* be assessed adversely as one of the factors considered in making an award.

22.1305 Waivers.

- (a) The Director, Office of Federal *Contract* Compliance Programs, Department of Labor, *may* waive any or all of the terms of the clause at <u>52.222-35</u>, Equal Opportunity for Veterans, for-
 - (1) Any *contract* if a waiver is in the national interest; or
 - (2) Groups or categories of contracts if a waiver is in the national interest and it is-
 - (i) Impracticable to act on each request individually; and
- (ii) Determined that the waiver will substantially contribute to convenience in administering the Act.
- (b) The *head of the agency may* waive any requirement in this subpart when it is determined that the *contract* is essential to the national security, and that its award without complying with such requirements is necessary to the national security. Upon making such a determination, the *head of the agency must* notify the *Deputy Assistant Secretary* of Labor *in writing* within 30 days.
- (c) The $contracting\ officer\ must$ submit requests for waivers in accordance with agency procedures.
- (d) The *Deputy Assistant Secretary* of Labor *may* withdraw an approved waiver for a specific *contract* or group of contracts to be awarded, when in the Deputy's judgment such action is necessary to achieve the purposes of the Act. The withdrawal does not apply to awarded contracts. 22.1306 Department of Labor notices and reports.

22.1307 Collective bargaining agreements.

If performance under the clause at <u>52.222-35</u>, Equal Opportunity for Veterans, *may* necessitate a revision of a collective bargaining agreement, the *contracting officer must* advise the affected labor unions that the Department of Labor will give them appropriate opportunity to present their views. However, neither the *contracting officer* nor any representative of the *contracting officer may* discuss with the *contractor* or any labor representative any aspect of the collective bargaining agreement.

22.1308 Complaint procedures.

Following agency procedures, the *contracting office must* forward any complaints received about the administration of the Act to the Veterans' Employment and Training Service of the Department of Labor, or to the Director, Office of Federal *Contract* Compliance Programs, 200 Constitution Avenue, NW., Washington, DC 20210, or to any OFCCP regional, district, or area office or through the local Veterans' Employment Representative or designee, at the local State employment office. The Director, Office of Federal *Contract* Compliance Programs, is responsible for investigating complaints.

22.1309 Actions because of noncompliance.

The *contracting officer must* take necessary action as soon as possible upon notification by the appropriate agency official to implement any sanctions imposed on a *contractor* by the Department of Labor for violations of the clause at 52.222-35, Equal Opportunity for Veterans. These sanctions (see 41 CFR 60-300.66) *may* include-

- (a) Withholding progress payments;
- (b) Termination or suspension of the contract; or

Subpart 22.15 - Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor

22.1500 Scope.

This subpart applies to acquisitions of *supplies* that exceed the *micro-purchase threshold* .

22.1501 Definitions.

As used in this subpart-

Forced or indentured child labor means all work or service-

- (1) Exacted from any person under the age of 18 under the menace of any penalty for its nonperformance and for which the *worker* does not *offer* himself voluntarily; or
- (2) Performed by any person under the age of 18 pursuant to a *contract* the enforcement of which can be accomplished by process or penalties.

List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor means the list published by the Department of Labor in accordance with E.O.13126 of June 12,1999, Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor . The list identifies products , by their country of origin, that the Departments of Labor, Treasury, and State have a reasonable basis to believe might have been mined, produced, or manufactured by forced or indentured child labor .

22.1502 Policy.

Agencies must take appropriate action to enforce the laws prohibiting the manufacture or importation of products that have been mined, produced, or manufactured wholly or in part by $forced\ or\ indentured\ child\ labor$, consistent with $\underline{19\ U.S.C.1307,29\ U.S.C.201}$, etseq., and $\underline{41}\ \underline{U.S.C.chapter\ 65}$. Agencies should make every effort to avoid acquiring such products.

22.1503 Procedures for acquiring end products on the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor.

- (a) When issuing a solicitation for supplies expected to exceed the micro-purchase threshold, the contracting officer must check the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor (the List) ($\underline{\text{www.dol.gov/ilab/}}$) (see $\underline{22.1505}$ (a)). Appearance of a product on the List is not a bar to purchase of any such product mined, produced, or manufactured in the identified country, but rather is an alert that there is a reasonable basis to believe that such product may have been mined, produced, or manufactured by forced or indentured child labor.
- (b) The requirements of this subpart that result from the appearance of any *end product* on the List do not apply to a *solicitation* or *contract* if the identified country of origin on the List is-

- (1) Canada, and the anticipated value of the acquisition is \$25,000 or more (subpart 25.4);
- (2) Israel, and the anticipated value of the *acquisition* is \$50,000 or more (see 25.406);
- (3) Mexico, and the anticipated value of the *acquisition* is \$92,319 or more (see <u>subpart</u> 25.4); or
- (4) Armenia, Aruba, Australia, Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hong Kong, Hungary, Iceland, Ireland, Italy, Japan, Korea, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Moldova, Montenegro, Netherlands, New Zealand, Norway, Poland, Portugal, Romania, Singapore, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, Taiwan, Ukraine, or the United Kingdom and the anticipated value of the *acquisition* is \$183,000 or more (see <u>25.402(b)</u>).
- (c) Except as provided in paragraph (b) of this section, before the *contracting officer may* make an award for an *end product* (regardless of country of origin) of a type identified by country of origin on the List the *offeror must* certify that-
- (1) It will not supply any *end product* on the List that was mined, produced, or manufactured in a country identified on the List for that product, as specified in the *solicitation* by the *contracting officer* in the Certification Regarding Knowledge of Child Labor for Listed End *Products*; or

(2)

- (i) It has made a good faith effort to determine whether *forced or indentured child labor* was used to mine, produce, or manufacture any *end product* to be furnished under the *contract* that is on the List and was mined, produced, or manufactured in a country identified on the List for that product; and
 - (ii) On the basis of those efforts, the offeror is unaware of any such use of child labor.
- (d) Absent any actual knowledge that the certification is false, the *contracting officer must* rely on the offerors' certifications in making award decisions.
- (e) Whenever a contracting officer has reason to believe that forced or indentured child labor was used to mine, produce, or manufacture an end product furnished pursuant to a contract awarded subject to the certification required in paragraph (c) of this section, the contracting officer must refer the matter for investigation by the agency's Inspector General, the Attorney General, or the Secretary of the Treasury, whichever is determined appropriate in accordance with agency procedures, except to the extent that the end product is from the country listed in paragraph (b) of this section, under a contract exceeding the applicable threshold.
- (f) Proper certification will not prevent the head of an agency from imposing remedies in accordance with section $\underline{22.1504}(a)(4)$ if it is later discovered that the *contractor* has furnished an *end product* or *component* that has in fact been mined, produced, or manufactured, wholly or in part, using *forced or indentured child labor*.

22.1504 Violations and remedies.

(a) *Violations*. The Government may impose remedies set forth in paragraph (b) of this section for the following violations (note that the violations in paragraphs (a)(3) and (a)(4) of this section go beyond violations of the requirements relating to certification of end products) (see 22.1503):

- (1) The contractor has submitted a false certification regarding knowledge of the use of $forced\ or\ indentured\ child\ labor\ .$
- (2) The *contractor* has failed to cooperate as required in accordance with the clause at <u>52.222-19</u>, Child Labor Cooperation with Authorities and Remedies, with an investigation of the use of *forced or indentured child labor* by an Inspector General, the Attorney General, or the *Secretary* of the Treasury.
- (3) The *contractor* uses *forced or indentured child labor* in its mining, production, or manufacturing processes.
- (4) The contractor has furnished an end product or component mined, produced, or manufactured, wholly or in part, by forced or indentured child labor. Remedies in paragraphs (b)(2) and (b)(3) of this section are inappropriate unless the contractor knew of the violation.
 - (b) Remedies.
- (1) The contracting officer may terminate the contract.
- (2) The suspending official *may* suspend the *contractor* in accordance with the procedures in subpart 9.4.
- (3) The debarring official *may* debar the *contractor* for a period not to exceed 3 years in accordance with the procedures in <u>subpart 9.4</u>.

22.1505 Solicitation provision and contract clause.

- (a) Except as provided in paragraph (b) of 22.1503, insert the provision at 52.222-18, Certification Regarding Knowledge of Child Labor for Listed End *Products*, in all solicitations that are expected to exceed the *micro-purchase threshold* and are for the *acquisition* of end *products* (regardless of country of origin) of a type identified by country of origin on the *List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor*, except solicitations for commercial *products* or commercial services that include the provision at 52.212-3, *Offeror* Representations and Certifications—Commercial *Products* and Commercial Services. The *contracting officer must* identify in paragraph (b) of the provision at 52.222-18, Certification Regarding Knowledge of Child Labor for Listed End *Products*, or paragraph (i)(1) of the provision at 52.212-3, any applicable end *products* and countries of origin from the List. For solicitations estimated to equal or exceed \$25,000, the *contracting officer must* exclude from the List in the *solicitation* end *products* from any countries identified at 22.1503(b), in accordance with the specified thresholds.
- (b) Insert the clause at $\underline{52.222-19}$, Child Labor-Cooperation with Authorities and Remedies, in all solicitations and contracts for the *acquisition* of *supplies* that are expected to exceed the *micropurchase* thresholds.

(3)

- (i) Require the *contractor* to obtain a certification from each *subcontractor*, prior to award of a *subcontract*, if any portion of the *subcontract*.
- (A) Is for supplies, other than COTS items (see $\underline{2.101}$), to be acquired outside the $United\ States$, or services to be performed outside the $United\ States$; and
 - (B) The estimated value exceeds \$550,000.
 - (ii) The certification must state that-
 - (A) The *subcontractor* has implemented a compliance plan; and
 - (B) After having conducted due diligence, either-
- (1) To the best of the *subcontractor* 's knowledge and belief, neither it nor any of its agents, subcontractors, or their agents, has engaged in any such activities; or
- (2) If abuses relating to any of the prohibited activities identified in <u>52.222-50(b)</u> have been found, the *subcontractor* has taken the appropriate remedial and referral actions;
- (4) Require the *contractor* to obtain annual certifications from subcontractors during performance of the *contract*, when a compliance plan was required at the time of *subcontract* award; and
- (5) Require that any compliance plan or procedures *shall* be appropriate to the size and complexity of the *contract* and the nature and scope of its activities, including the number of non-U.S. citizens expected to be employed and the risk that the *contract* or *subcontract* will involve services or *supplies* susceptible to trafficking in persons. The minimum elements of the plan are specified at 52.222-50(h);
 - (d) Require the contractor and subcontractors to-
- (1) Disclose to the *contracting officer* and the agency Inspector General information sufficient to identify the nature and extent of an offense and the individuals responsible for the conduct;
- (2) Provide timely and complete responses to Government auditors' and investigators' requests for documents;
- (3) Cooperate fully in providing reasonable access to their facilities and staff (both inside and outside the U.S.) to allow *contracting* agencies and other responsible Federal agencies to conduct audits, investigations, or other actions to ascertain compliance with the Trafficking Victims Protection Act (22 U.S.C. chapter 78), Executive Order 13627, or any other applicable law or regulation establishing restrictions on trafficking in persons, the *procurement* of commercial sex acts, or the use of *forced labor*; and

- (4) Protect all employees suspected of being victims of or witnesses to prohibited activities, prior to returning to the country from which the *employee* was recruited, and *shall* not prevent or hinder the ability of these employees from cooperating fully with Government authorities; and
- (e) Provide suitable remedies, including termination, to be imposed on contractors that fail to comply with the requirements of paragraphs (a) through (d) of this section.

22.1704 Violations and remedies.

- (a) Violations. It is a violation of the Trafficking Victims Protection Act of 2000, as amended, (22 U.S.C. chapter 78), E.O. 13627, or the policies of this subpart if—
- (1) The contractor, contractor employee, subcontractor, subcontractor employee, or agent engages in severe forms of trafficking in persons during the period of performance of the contract;
- (2) The contractor, contractor employee, subcontractor, subcontractor employee, or agent procures a commercial sex act during the period of performance of the contract;
- (3) The contractor , contractor employee , subcontractor , subcontractor employee , or agent uses forced labor in the performance of the contract ; or
- (4) The *contractor* fails to comply with the requirements of the clause at 52.222-50, Combating Trafficking in Persons.
- (b) Credible information. Upon receipt of credible information regarding a violation listed in paragraph (a) of this section, the *contracting officer* —-
- (1) *Shall* promptly notify, in accordance with agency procedures, the agency Inspector General, the agency debarring and suspending official, and if appropriate, law enforcement officials with jurisdiction over the alleged offense; and
- (2) *May* direct the *contractor* to take specific steps to abate the alleged violation or enforce the requirements of its compliance plan.
 - (c) Receipt of agency Inspector General report.
- (1) The head of an *executive agency shall* ensure that the *contracting officer* is provided a copy of the agency Inspector General report of an investigation of a violation of the trafficking in persons prohibitions in 22.1703(a) and 52.222-50(b).

(2)

- (i) Upon receipt of a report from the agency Inspector General that provides support for the allegations, the head of the *executive agency*, in accordance with agency procedures, *shall* delegate to an authorized agency official, such as the agency suspending or debarring official, the responsibility to-
- (A) Expeditiously conduct an administrative proceeding, allowing the *contractor* the opportunity to respond to the report;

- (B) Make a final determination as to whether the allegations are substantiated; and
- (C) Notify the *contracting officer* of the determination.
- (ii) Whether or not the official authorized to conduct the administrative proceeding is the suspending and debarring official, the suspending and debarring official has the authority, at any time before or after the final determination as to whether the allegations are substantiated, to use the *suspension* and *debarment* procedures in <u>subpart 9.4</u> to suspend, propose for *debarment*, or debar the *contractor*, if appropriate, also considering the factors at 22.1704(d)(2).
- (d) Remedies. After a final determination in accordance with paragraph (c)(2)(ii) of this section that the allegations of a trafficking in persons violation are substantiated, the *contracting officer* shall
 - (1) Enter the violation in FAPIIS (see 42.1503(h)); and
- (2) Consider taking any of the remedies specified in paragraph (e) of the clause at <u>52.222-50</u>, Combating Trafficking in Persons. These remedies are in addition to any other remedies available to the *United States* Government. When determining the appropriate remedies, the *contracting officer may* consider the following factors:
- (i) Mitigating factors. The *contractor* had a Trafficking in Persons compliance plan or awareness program at the time of the violation, was in compliance with the plan at the time of the violation, and has taken appropriate remedial actions for the violations, that *may* include reparation to victims for such violations.
- (ii) Aggravating factors. The *contractor* failed to abate an alleged violation or enforce the requirements of a compliance plan, when directed by a *contracting officer* to do so.

22.1705 Solicitation provision and contract clause.

(a)

- (1) Insert the clause at <u>52.222-50</u>, Combating Trafficking in Persons, in all solicitations and contracts.
- (2) Use the clause with its *Alternate* I when the *contract* will be performed outside the *United States* (as defined at 22.1702) and the *contracting officer* has been notified of specific U.S. directives or notices regarding combating trafficking in persons (such as general orders or military listings of "off-limits" local establishments) that apply to *contractor* employees at the *contract* place of performance.
- (b) Insert the provision at $\underline{52.222-56}$, Certification Regarding Trafficking in Persons Compliance Plan, in solicitations if
- (1) It is possible that at least \$550,000 of the value of the *contract may* be performed outside the *United States*; and
 - (2) The *acquisition* is not entirely for commercially available off-the-shelf items.

Subpart 22.18 - Employment Eligibility Verification

22.1800 Scope.

This subpart prescribes policies and procedures requiring contractors to utilize the Department of Homeland Security (DHS), *United States* Citizenship and Immigration Service's employment eligibility verification program (E-Verify) as the means for verifying employment eligibility of certain employees.

22.1801 Definitions.

As used in this subpart-

Commercially available off-the-shelf (COTS) item -

- (1) Means any item of supply that is-
- (i) A commercial product (as defined in paragraph (1) of the definition of "commercial product" at 2.101);
 - (ii) Sold in substantial quantities in the commercial marketplace; and
- (iii) Offered to the Government, without modification, in the same form in which it is sold in the commercial marketplace; and
- (2) Does not include bulk cargo, as defined in $\underline{46~U.S.C.~40102(4)}$, such as agricultural products and petroleum products . Per 46 CFR 525.1 (c)(2), "bulk cargo" means cargo that is loaded and carried in bulk onboard ship without mark or count, in a loose unpackaged form, having homogenous characteristics. Bulk cargo loaded into intermodal equipment, except LASH or Seabee barges, is subject to mark and count and, therefore, ceases to be bulk cargo.

Employee assigned to the contract means an employee who was hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), who is directly performing work, in the $United\ States$, under a contract that is required to include the clause prescribed at 22.1803. An employee is not considered to be directly performing work under a contract if the employee-

- (1) Normally performs support work, such as indirect or overhead functions; and
- (2) Does not perform any substantial duties applicable to the *contract*.

Subcontract means any contract, as defined in 2.101, entered into by a subcontractor to furnish supplies or services for performance of a prime contract or a subcontract. It includes but is not limited to purchase orders, and changes and modifications to purchase orders.

Subcontractor means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a $prime\ contractor$ or another subcontractor.

United States, as defined in 8 U.S.C. 1101(a)(38), means the 50 States, the District of Columbia, Puerto Rico, Guam, the Commonwealth of Northern Mariana Islands, and the U.S. Virgin

22.1802 Policy.

- (a) Statutes and Executive orders require employers to abide by the immigration laws of the *United States* and to employ in the *United States* only individuals who are eligible to work in the *United States*. The E-Verify program provides an Internet-based means of verifying employment eligibility of workers employed in the *United States*, but is not a substitute for any other employment eligibility verification requirements.
- (b) Contracting officers shall include in solicitations and contracts, as prescribed at 22.1803, requirements that Federal contractors must -
 - (1) Enroll as Federal contractors in E-Verify;
- (2) Use E-Verify to verify employment eligibility of all new hires working in the *United States*, except that the *contractor may* choose to verify only new hires assigned to the *contract* if the *contractor* is-
 - (i) An institution of higher education (as defined at 20 U.S.C. 1001(a));
- (ii) A State or local government or the government of a Federally recognized Indian tribe; or
- (iii) A *surety* performing under a takeover agreement entered into with a *Federal agency* pursuant to a performance *bond*;
- (3) Use E-Verify to verify employment eligibility of all employees assigned to the contract; and
 - (4) Include these requirements, as required by the clause at 52.222-54, in subcontracts for-
- (i) Services, except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item; and
 - (ii) Construction.
- (c) Contractors *may* elect to verify employment eligibility of all existing employees working in the *United States* who were hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands) instead of just those employees assigned to the *contract*. The *contractor* is not required to verify employment eligibility of-
 - (1) Employees who hold an active security clearance of confidential, secret, or top secret; or
- (2) Employees for whom background investigations have been completed and credentials issued pursuant to Homeland Security Presidential Directive (HSPD)-12.
- (d) In exceptional cases, the *head of the contracting activity may* waive the E-Verify requirement for a *contract* or *subcontract* or a class of contracts or subcontracts, either temporarily or for the period of performance. This waiver authority *may* not be delegated.

(e) DHS and the Social Security Administration (SSA) may terminate a contractor 's MOU and deny access to the E-Verify system in accordance with the terms of the MOU. If DHS or SSA terminates a contractor 's MOU, the terminating agency must refer the contractor to a suspension or debarment official for possible suspension or debarment action. During the period between termination of the MOU and a decision by the suspension or debarment official whether to suspend or debar, the contractor is excused from its obligations under paragraph (b) of the clause at 52.222-54. If the contractor is suspended or debarred as a result of the MOU termination, the contractor is not eligible to participate in E-Verify during the period of its suspension or debarment . If the suspension or debarment official determines not to suspend or debar the contractor , then the contractor must reenroll in E-Verify.

22.1803 Contract clause.

Insert the clause at <u>52.222-54</u>, Employment Eligibility Verification, in all solicitations and contracts that exceed \$150,000, except those that—

- (a) Are only for work that will be performed outside the *United States*;
- (b) Are for a period of performance of less than 120 days; or
- (c) Are only for-
 - (1) Commercially available off-the-shelf items;
- (2) Items that would be COTS items, but for minor modifications (as defined at paragraph (3)(ii) of the definition of "commercial products" at 2.101);
 - (3) Items that would be COTS items if they were not bulk cargo; or
 - (4) Commercial services that are-
- (i) Part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications);
 - (ii) Performed by the COTS provider; and
 - (iii) Are normally provided for that COTS item.

Subpart 22.19 - Establishing a Minimum Wage for Contractors

22.1900 Scope of subpart.

This subpart prescribes policies and procedures to implement Executive Order (E.O.) 13658, Establishing a Minimum Wage for Contractors, dated February 12, 2014, and Department of Labor (DOL) implementing regulations at 29 CFR Part 10.

22.1901 Definitions.

As used in this subpart—

Seasonal recreational equipment rental means any equipment rental in connection with seasonal recreational services .

Seasonal recreational services means services that include river running, hunting, fishing, horseback riding, camping, mountaineering activities, recreational ski services, and youth camps.

Worker, (in accordance with 29 CFR 10.2)-

- (1) Means any person engaged in performing work on, or in connection with, a *contract* covered by Executive Order 13658, and
- (i) Whose *wages* under such *contract* are governed by the Fair Labor Standards Act (29 U.S.C. chapter 8), the *Service Contract* Labor Standards statute (41 U.S.C. chapter 67), or the Wage Rate Requirements (*Construction*) statute (40 U.S.C. chapter 31, subchapter IV),
- (ii) Other than individuals employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in 29 CFR part 541,
- (iii) Regardless of the contractual relationship alleged to exist between the individual and the employer.
- (2) Includes workers performing on, or in connection with, the *contract* whose *wages* are calculated pursuant to special certificates issued under 29 U.S.C. 214(c).
- (3) Also includes any person working on, or in connection with, the *contract* and individually registered in a bona fide apprenticeship or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship.

22.1902 Policy.

- (a) Pursuant to Executive Order 13658, the minimum hourly wage rate required to be paid to workers performing on, or in connection with, contracts and subcontracts subject to this subpart is at least \$10.10 per hour beginning January 1, 2015, and beginning January 1, 2016, and annually thereafter, an amount determined by the *Secretary* of Labor. The *Administrator* of the *Wage and Hour Division* (the *Administrator*) will notify the public of the new E.O. minimum wage rate at least 90 days before it is to take effect. (See 22.1904.)
 - (b) Relationship with other wage rates.
- (1) Nothing in this subpart *shall* excuse noncompliance with any applicable Federal or State prevailing wage law or any applicable law or municipal ordinance establishing a minimum wage higher than the E.O. minimum wage. However, wage increases under such other laws or municipal ordinances are not subject to price adjustment under this subpart.
 - (2) The E.O. minimum wage rate applies whenever it is higher than any applicable collective

bargaining agreement(s) wage rate.

(c) Application to tipped workers. Policies and procedures in DOL regulations at 29 CFR 10.24(b) and 10.28 address the relationship between the E.O. minimum wage and *wages* of workers engaged in an occupation in which they customarily and regularly receive more than \$30 a month in tips.

22.1903 Applicability.

(a) This subpart applies to contracts covered by the *Service Contract* Labor Standards statute (41~U.S.C. chapter 67, formerly known as the *Service Contract* Act, subpart 22.10), or the Wage Rate Requirements (Construction) statute (40~U.S.C. chapter 31, Subchapter IV, formerly known as the Davis Bacon Act, subpart 22.4), that require performance in whole or in part within the United States. When performance is in part within and in part outside the United States, this subpart applies to the part of the contract that is performed within the United States.

(b)

- (1) This subpart applies to workers as defined at <u>22.1901</u>. As provided in that definition-
- (i) Workers are covered regardless of the contractual relationship alleged to exist between the *contractor* or *subcontractor* and the *worker*;
- (ii) Workers with disabilities whose *wages* are calculated pursuant to special certificates issued under 29 U.S.C. 214(c) are covered; and
- (iii) Workers who are registered in a bona fide apprenticeship program or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship, are covered.
 - (2) This subpart does not apply to-
- (i) Fair Labor Standards Act (FLSA)-covered individuals performing in connection with contracts covered by the E.O., i.e., those individuals who perform duties necessary to the performance of the *contract*, but who are not directly engaged in performing the specific work called for by the *contract*, and who spend less than 20 percent of their hours worked in a particular workweek performing in connection with such contracts;
- (ii) Individuals exempted from the minimum wage requirements of the FLSA under $\underline{29}$ $\underline{\text{U.S.C. }213(a)}$ and $\underline{214(a)}$ and $\underline{(b)}$, unless otherwise covered by the *Service Contract* Labor Standards statute or the Wage Rate Requirements (*Construction*) statute. These individuals include but are not limited to-
- (A) Learners, apprentices, or messengers whose *wages* are calculated pursuant to special certificates issued under 29 U.S.C. 214(a);
- (B) Students whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(b); and
- (C) Those employed in a bona fide executive, administrative, or professional capacity (29 U.S.C. 213(a)(1) and 29 CFR part 541); or

- (iii) Seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands, except for lodging and food services associated with seasonal recreational services, in accordance with Executive Order 13838, Exemption from Executive Order 13658 for Recreational Services on Federal Lands (3 CFR, 2018 Comp., p. 831), as implemented by the U.S. Department of Labor regulations at 29 CFR 10.4(g).
- (c) Agency Labor Advisors, as defined at $\underline{22.001}$, are listed at $\underline{\text{https://www.sam.gov}}$, and are available to provide guidance and assistance with the application of this subpart.

22.1904 Annual Executive Order Minimum Wage Rate.

- (a) For the E.O. minimum wage rate that becomes effective on January 1, 2016, and annually thereafter, the *Administrator* will-
- (1) Notify the public of the new E.O. minimum wage rate at least 90 days before it becomes effective by publishing a notice in the Federal Register;
- (2) Publish and maintain on Wage Determinations at SAM.gov, https://www.sam.gov, or any successor site, the E.O. minimum wage rate; and
- (3) Include a general notice on wage determinations which are issued under the *Service Contract* Labor Standards statute or the Wage Rate Requirements (*Construction*) statute. The notice will provide information on the E.O. minimum wage and how to obtain annual updates.

(b)

- (1) The contractor may request a price adjustment only after the effective date of a new annual E.O. minimum wage determination published pursuant to paragraph (a). Prices will be adjusted only for increased labor costs (including subcontractor labor costs) as a result of the annual E.O. minimum wage, and for associated labor costs (including those for subcontractors). Associated labor costs shall include increases or decreases that result from changes in social security and unemployment taxes and workers' compensation insurance, but will not otherwise include any amount for general and administrative costs, overhead, or profit.
- (2) The wage rate price adjustment under this clause is the lowest amount calculated by subtracting from the new E.O. wage rate the following: the current E.O. minimum wage rate; the current service or *construction wage determination* rate under the *contract* (if the wage rate is applicable to that *worker*); or the actual wage currently paid the *worker*. If the amount is zero or below, there will be no increase paid for this *worker*.
 - (i) Example 1 New E.O. wage rate is \$11.10.

Previous E.O. wage rate is \$10.70. The current service or *construction wage determination* rate applicable to this *worker* under the *contract* is \$10.75.

Analysis: The calculation is \$11.10 - \$10.80 = \$.30. The price adjustment for this *worker* is \$.30

The actual wage currently paid to the *worker* is \$10.80.

(ii) Example 2 - New E.O. wage rate is \$10.50.

Previous E.O. wage rate is \$10.10. The current service or *construction wage determination* rate applicable to this *worker* under the *contract* is \$10.75

Analysis: The calculation is \$10.50 - \$10.80 = -\$.30. There is no price adjustment for this *worker*.

The actual wage currently paid to the worker is \$10.80.

(3) The *contracting officer shall* not adjust the *contract* price for any costs other than those identified in paragraph (b)(1) of this section, and *shall* not provide duplicate price adjustments with any price adjustment under clauses implementing the *Service Contract* Labor Standards statute or the Wage Rate Requirements (*Construction*) statute.

22.1905 Enforcement of Executive Order Minimum Wage Requirements.

- (a) Authority.
- (1) Section 5 of the E.O. grants the authority for investigating potential violations of, and obtaining compliance with, the E.O. to the *Secretary* of Labor. The *Secretary* of Labor, in promulgating the implementing regulations required by Section 4 of the E.O., has assigned this authority to the *Administrator*. *Contracting* agencies do not have authority to conduct compliance investigations under 29 CFR Part 10 as implemented in this subpart. This does not limit the *contracting officer* 's authority to otherwise enforce the terms and conditions of the *contract*.
 - (2) Contracting officers shall withhold payment at the direction of the Administrator.
- (3) The contracting officer shall withhold payment, without a request from the Administrator, if the contractor fails to comply with the requirements in paragraph (e)(2) of $\underline{52.222-55}$, Minimum Wages Under Executive Order 13658 to furnish payroll records, until such time as the noncompliance is corrected.
 - (b) Complaints.
- (1) Complaints *may* be filed with the *contracting officer* or the *Administrator* by any person, entity, or organization that believes a violation of this subpart has occurred.
- (2) The identity of any individual who makes a written or oral statement as a complaint or in the course of an investigation, as well as portions of the statement which would reveal the individual's identity, *shall* not be disclosed in any manner to anyone other than Federal officials without the prior consent of the individual, unless otherwise authorized by law.
- (3) Upon receipt of a complaint, or if notified that the *Administrator* has received a complaint, the *contracting officer shall* report the following information, within 14 days, if available without conducting an investigation, to the Department of Labor, *Wage and Hour Division*, Office of Government Contracts, 200 Constitution Avenue N.W., Room S3006, Washington, D.C. 20210.

- (i) The complaint or description of the alleged violation;
- (ii) Available statements by the worker, contractor, or any other person regarding the alleged violation;
- (iii) Evidence that clause $\underline{52.222-55}$, Minimum Wages Under Executive Order 13658, was included in the contract;
- (iv) Information concerning known settlement negotiations between the parties, if applicable; and
- (v) Any other relevant facts known to the $contracting\ officer$ or other information requested by the $Wage\ and\ Hour\ Division$.
- (c) Investigations. Complaints will be investigated by the Administrator, if warranted, in accordance with the procedures in 29 CFR 10.43.

(d) Remedies and sanctions-

- (1) Unpaid wages. When the Administrator 's investigation reveals that a contractor has failed to pay the applicable E.O. minimum wage, the Administrator will notify the contractor and the contracting agency of the unpaid wage violation, and request that the contractor remedy the violation. If the contractor does not remedy the violation, the Administrator may direct withholding of payments due on the contract or any other contract between the contractor and the Federal Government. Upon final decision and direction of the Administrator, the contracting agency shall transfer the withheld funds to the Department of Labor for disbursement in accordance with the procedures at 22.406-9(c).
- (2) Antiretaliation. When a *contractor* has been found to have violated paragraph (i) of clause 52.222-55, Minimum *Wages* Under Executive Order 13658, the *Administrator may* provide for relief to the *worker* in accordance with 29 CFR 10.44.

(3) Debarment.

- (i) The Department of Labor *may* initiate *debarment* proceedings under 29 CFR 10.52 whenever a *contractor* is found to have disregarded its obligations under 29 CFR Part 10.
- (ii) *Contracting* officers *shall* consider notifying the agency suspending and debarring official in accordance with agency procedures when a *contractor* commits significant violations of *contract* terms and conditions related to this subpart.
- (4) Retroactive inclusion of *contract clause*. If a *contracting* agency fails to include the *contract clause* in a *contract* to which the E.O. applies, the *contracting* agency, on its own initiative or within 15 calendar days of notification by an authorized representative of the Department of Labor, *shall* incorporate the *contract clause* in the *contract* retroactive to commencement of performance under the *contract* through the exercise of any and all authority that *may* be needed (including, where necessary, its authority to negotiate or amend, its authority to pay any necessary additional costs, and its authority under any *contract* provision authorizing changes, cancellation and termination).

22.1906 Contract clause.

Insert the clause at <u>52.222-55</u>, Minimum *Wages* Under Executive Order 13658, in solicitations and contracts that include the clause at <u>52.222-6</u>, *Construction* Wage Rate Requirements, or <u>52.222-41</u>, *Service Contract* Labor Standards, where work is to be performed, in whole or in part, in the *United States* (the 50 States and the District of Columbia).

Subpart 22.20 - [Reserved]

22.2100 Scope of subpart.

This subpart prescribes policies and procedures to implement E.O. 13706, Establishing *Paid Sick Leave* for Federal Contractors, dated September 7, 2015, and Department of Labor implementing regulations at 29 CFR Part 13.

22.2101 Definitions.

As used in this subpart (in accordance with 29 CFR 13.2)-

Accrual year means the 12-month period during which a contractor may limit an employee 's accrual of paid sick leave to no less than 56 hours (see 29 CFR 13.5(b)(1)).

Certification issued by a health care provider has the meaning given in 29 CFR 13.2.

Employee -

(1)

- (i) Means any person engaged in performing work on or in connection with a *contract* covered by E.O. 13706; and
- (A) Whose *wages* under such *contract* are governed by the *Service Contract* Labor Standards statute (41 U.S.C. chapter 67), the Wage Rate Requirements (*Construction*) statute (40 U.S.C. chapter 31, subchapter IV), or the Fair Labor Standards Act (29 U.S.C. chapter 8);

- (b) Interaction with other laws. Nothing in E.O. 13706 or 29 CFR Part 13 *shall* excuse noncompliance with or supersede any applicable Federal or State law, any applicable law or municipal ordinance, or a collective bargaining agreement requiring greater *paid sick leave* or leave rights than those established under E.O. 13706 and 29 CFR Part 13. For additional details regarding interaction with the *Service Contract* Labor Standards statute, the Wage Rate Requirements (*Construction*) statute, the Family and Medical Leave Act, and State and local paid sick time laws, see 29 CFR 13.5(f)(2) through (4).
- (c) Interaction with paid time off policies. In accordance with 29 CFR 13.5(f)(5)(i), the *paid sick leave* requirements of E.O. 13706 and 29 CFR Part 13 *may* be satisfied by a *contractor* 's voluntary paid time off policy, whether provided pursuant to a collective bargaining agreement or otherwise, where the voluntary paid time off policy meets or exceeds the requirements. For additional details regarding paid time off policies, see 29 CFR 13.5(f)(5)(ii) and (iii).
- (d) Unless otherwise provided in this subpart, compliance is the responsibility of the contractor, and enforcement is the responsibility of the Department of Labor.

22.2103 Applicability.

This subpart applies to-

(a) Contracts that-

- (1) Are covered by the *Service Contract* Labor Standards statute (41 U.S.C. chapter 67, formerly known as the *Service Contract* Act, subpart 22.10), or the Wage Rate Requirements (*Construction*) statute (40 U.S.C. chapter 31, Subchapter IV, formerly known as the Davis-Bacon Act, subpart 22.4); and
- (2) Require performance in whole or in part within the $United\ States$. When performance is in part within and in part outside the $United\ States$, this subpart applies to the part of the contract that is performed within the $United\ States$; and
- (b) Employees performing on or in connection with such contracts whose *wages* are governed by the *Service Contract* Labor Standards statute, the Wage Rate Requirements (*Construction*) statute, or the Fair Labor Standards Act, including employees who qualify for an exemption from the Fair Labor Standards Act's minimum wage and *overtime* provisions.

22.2104 Exclusions.

The following are excluded from coverage under this subpart:

- (a) Employees performing in connection with contracts covered by the E.O. for less than 20 percent of their work hours in a given workweek. This exclusion is inapplicable to employees performing on contracts covered by the E.O., i.e., those employees directly engaged in performing the specific work called for by the *contract*, at any point during the workweek (see 29 CFR 13.4(e)).
- (b) Until the earlier of the date the agreement terminates or January 1, 2020, employees whose covered work is governed by a collective bargaining agreement ratified before September 30, 2016, that-
- (1) Already provides 56 hours (or 7 days, if the agreement refers to days rather than hours) of paid sick time (or paid time off that *may* be used for reasons related to sickness or health care) each year; or
- (2) Provides less than 56 hours (or 7 days, if the agreement refers to days rather than hours) of paid sick time (or paid time off that may be used for reasons related to sickness or health care) each year, provided that each year the contractor provides covered employees with the difference between 56 hours (or 7 days) and the amount provided under the existing agreement in accordance with 29 CFR 13.4(f).
- (c) The Government's unilateral exercise of a pre-negotiated *option* to renew an existing *contract* that does not contain the clause at <u>52.222-62</u> will not automatically trigger the application of that clause. (See definition of "new *contract*" at 29 CFR <u>13.2</u>).

22.2105 Paid sick leave for Federal contractors and subcontractors.

In accordance with 29 CFR <u>13.5</u>, and by operation of the clause at <u>52.222-62</u>, *Paid Sick Leave* Under Executive Order <u>13706</u>, the following *contractor* requirements apply:

(a) Accrual.

- (1) Contractors are required to permit an *employee* to accrue not less than 1 hour of *paid sick leave* for every 30 hours worked on or in connection with a *contract* covered by the E.O. (see 29 CFR 13.5(a)(1)).
- (2) Contractors are required to inform each *employee*, *in writing*, of the amount of *paid sick leave* the *employee* has accrued but not used no less than once each pay period or each month, whichever interval is shorter, as well as upon a separation from employment and upon reinstatement of *paid sick leave*, pursuant to 29 CFR 13.5(b)(4) (see 29 CFR 13.5(a)(2)).
- (3) Contractors *may* choose to provide employees with at least 56 hours of *paid sick leave* at the beginning of each *accrual year* rather than allowing the *employee* to accrue such leave based on hours worked over time (see 29 CFR 13.5(a)(3)).
 - (b) Maximum accrual, carryover, reinstatement, and payment for unused leave.
- (1) Contractors may limit the amount of paid sick leave employees are permitted to accrue to not less than 56 hours in each accrual year (see 29 CFR $\underline{13.5}(b)(1)$).
- (2) Paid sick leave shall carry over from one accrual year to the next. Paid sick leave carried over from the previous accrual year shall not count toward any limit the contractor sets on annual accrual (see 29 CFR 13.5(b)(2)).
- (3) Contractors *may* limit the amount of *paid sick leave* an *employee* is permitted to have available for use at any point to not less than 56 hours (see 29 CFR <u>13.5(b)(3)</u>).
- (4) Contractors are required to reinstate *paid sick leave* for employees only when rehired by the same *contractor* within 12 months after a job separation (see 29 CFR 13.5(b)(4)).
- (5) Nothing in E.O. 13706 or 29 CFR Part 13 requires contractors to make a financial payment to an *employee* for accrued *paid sick leave* that has not been used upon a separation from employment. If a *contractor* nevertheless makes such a payment in an amount equal to or greater than the value of the pay and benefits the *employee* would have received pursuant to 29 CFR 13.5(c)(3) had the *employee* used the *paid sick leave*, the *contractor* is relieved of the obligation to reinstate an *employee* 's accrued *paid sick leave* upon rehiring the *employee* within 12 months of the separation pursuant to 29 CFR 13.5(b)(4) (see 29 CFR 13.5(b)(5)).
- (c) Use. Contractors are required to permit an employee to use paid sick leave in accordance with 29 CFR 13.5(c).
- (d) Request for paid sick leave . Contractors are required to permit an employee to use any or all of the employee 's available paid sick leave upon the oral or written request of an employee that includes information sufficient to inform the contractor that the employee is seeking to be absent from work for a purpose described in 29 CFR $\underline{13.5}(c)$ and, to the extent reasonably feasible, the anticipated duration of the leave (see 29 CFR $\underline{13.5}(d)$).
- (e) Certification or documentation for leave of 3 or more consecutive full workdays. Contractors may require certification issued by a health care provider to verify the need for paid sick leave used for a purpose described in 29 CFR 13.5(c)(1)(i), (ii), or (iii), or documentation from an appropriate individual or organization to verify the need for paid sick leave used for a purpose described in 29 CFR 13.5(c)(1)(iv), only if the employee is absent for 3 or more consecutive full workdays (see 29 CFR 13.5(e)).

22.2106 Prohibited acts.

In accordance with 29 CFR 13.6, and by operation of the clause at <u>52.222-62</u>, *Paid Sick Leave* Under Executive Order 13706, a *contractor may* not-

- (a) Interfere with an *employee* 's accrual or use of *paid sick leave* as required by E.O. 13706 or 29 CFR Part 13 (see 29 CFR 13.6(a));
 - (b) Discharge or in any other manner discriminate against any employee for-
- (1) Using, or attempting to use, *paid sick leave* as provided for under E.O. 13706 and 29 CFR Part 13:
- (2) Filing any complaint, initiating any proceeding, or otherwise asserting any right or *claim* under E.O. 13706 or 29 CFR Part 13:
- (3) Cooperating in any investigation or testifying in any proceeding under E.O. 13706 or 29 CFR Part 13; or
- (4) Informing any other person about his or her rights under E.O. 13706 or 29 CFR Part 13 (see 29 CFR 13.6(b)); or
- (c) Fail to make and maintain or to make available to authorized representatives of the *Wage and Hour Division* records for *inspection*, copying, and transcription as required by 29 CFR 13.25, or otherwise fail to comply with the requirements of 29 CFR 13.25 (see 29 CFR 13.6(c)).

22.2107 Waiver of rights.

Employees cannot waive, nor *may* contractors induce employees to waive, their rights under E.O. 13706 or 29 CFR Part 13 (see 29 CFR 13.7).

22.2108 Multiemployer plans or other funds, plans, or programs.

Contractors *may* fulfill their obligations under E.O. 13706 and 29 CFR Part 13 jointly with other contractors through a multi-employer plan, or *may* fulfill their obligations through an individual fund, plan, or program (see 29 CFR 13.8).

22.2109 Enforcement of Executive Order 13706 paid sick leave requirements.

(a) *Authority*. Section 4 of the E.O. grants to the *Secretary* of Labor the authority for investigating potential violations of, and obtaining compliance with, the E.O. The *Secretary* of Labor, in promulgating the implementing regulations required by section 3 of the E.O., has assigned this authority to the *Administrator* of the *Wage and Hour Division*. *Contracting* agencies do not have authority to conduct compliance investigations under 29 CFR Part 13 as implemented in this subpart. This does not limit the *contracting officer* 's authority to otherwise enforce the terms and conditions of the *contract*.

- (b) Complaints.
- (1) Complaints are filed with the *Administrator* of the *Wage and Hour Division* and *may* be brought by any person (including the *employee*), entity, or organization that believes a violation of this subpart has occurred.
- (2) The identity of any individual who makes a written or oral statement as a complaint or in the course of an investigation, as well as portions of the statement which would reveal the individual's identity, *shall* not be disclosed in any manner to anyone other than Federal officials without the prior consent of the individual, unless otherwise authorized by law.
- (3) If the *contracting* agency receives a complaint or is notified that the *Administrator* of the *Wage and Hour Division* has received a complaint, the *contracting officer shall* report, within 14 days, to the Department of Labor, *Wage and Hour Division*, Office of Government Contracts, 200 Constitution Avenue N.W., Room S3006, Washington, D.C. 20210, all of the following information that is available without conducting an investigation:
 - (i) The complaint or description of the alleged violation.
- (ii) Available statements by the $\it employee$, $\it contractor$, or any other person regarding the alleged violation.
- (iii) Evidence that clause $\underline{52.222-62}$, Paid Sick Leave Under Executive Order 13706, was included in the contract .
- (iv) Information concerning known settlement negotiations between the parties, if applicable.
- (v) Any other relevant facts known to the $contracting\ officer$ or other information requested by the $Wage\ and\ Hour\ Division$.
- (c) *Investigations*. Complaints will be investigated by the *Administrator* of the *Wage and Hour Division*, if warranted, in accordance with the procedures in 29 CFR 13.43.
 - (d) Remedies and sanctions.
- (1) Withholding or suspending payment. The contracting officer shall, upon his or her own action or upon written request of the Administrator of the Wage and Hour Division –

(i)

- (A) Withhold or cause to be withheld from the *contractor* under the *contract* covered by the E.O. or any other Federal *contract* with the same *contractor*, so much of the accrued payments or advances as *may* be considered necessary to pay employees the full amount owed to compensate for any violation of E.O. 13706 or 29 CFR Part 13; and
- (B) In the event of any such violation, the contracting agency may, after authorization or by direction of the Administrator of the Wage and Hour Division and written notification to the contractor, take action to cause suspension of any further payment, advance, or guarantee of funds until such violations have ceased; or
 - (ii) Take action to cause suspension of any further payment, advance, or guarantee of

funds to a *contractor* that has failed to make available for *inspection*, copying, and transcription any of the records identified in 29 CFR 13.25.

- (2) Civil actions to recover greater underpayments than those withheld.
- (i) If the payments withheld under 29 CFR 13.11(c) are insufficient to reimburse all monetary relief due, or if there are no payments to withhold, the Department of Labor, following a final order of the *Secretary* of Labor, *may* bring an action against the *contractor* in any court of competent jurisdiction to recover the remaining amount.
- (ii) The Department of Labor *shall*, to the extent possible, pay any sums it recovers in this manner directly to the employees who suffered the violation(s) of 29 CFR 13.6(a) or (b).
- (iii) Any sum not paid to an *employee* because of inability to do so within 3 years *shall* be transferred into the Treasury of the *United States* as miscellaneous receipts.
- (3) *Termination. Contracting* officers *may* consider the failure of a *contractor* to comply with the requirements of E.O. 13706 or 29 CFR Part 13 as grounds for *termination for default* or cause.

(4) Debarment.

- (i) The Department of Labor *may* initiate *debarment* proceedings under 29 CFR 13.44(d) and 29 CFR 13.52 whenever a *contractor* is found to have disregarded its obligations under E.O. 13706 or 29 CFR Part 13.
- (ii) *Contracting* officers *shall* consider notifying the agency suspending and debarring official in accordance with agency procedures when a *contractor* commits significant violations of *contract* terms and conditions related to this subpart (see subpart 9.4).

(5) Remedies for interference.

- (i) When the *Administrator* of the *Wage and Hour Division* determines that a *contractor* has interfered with an *employee* 's accrual or use of *paid sick leave* in violation of 29 CFR 13.6(a), the *Administrator* of the *Wage and Hour Division* will notify the *contractor* and the relevant *contracting* agency of the interference and request that the *contractor* remedy the violation.
- (ii) If the *contractor* does not remedy the violation, the *Administrator* of the *Wage and Hour Division shall* direct the *contractor* to provide any appropriate relief to the affected *employee* (s) in the investigative findings letter issued pursuant to 29 CFR 13.51. Such relief *may* include-
 - (A) Any pay and/or benefits denied or lost by reason of the violation;
 - (B) Other actual monetary losses sustained as a direct result of the violation; or
 - (C) Appropriate equitable or other relief.
- (iii) Payment of liquidated damages in an amount equaling any monetary relief *may* also be directed unless such amount is reduced by the *Administrator* of the *Wage and Hour Division* because the violation was in good faith and the *contractor* had reasonable grounds for believing it had not violated the E.O. or 29 CFR Part 13.

(iv) The Administrator of the Wage and Hour Division may additionally direct that payments due on the contract or any other contract between the contractor and the Federal Government be withheld as may be necessary to provide any appropriate monetary relief. Upon the final order of the Secretary of Labor that monetary relief is due, the Administrator of the Wage and Hour Division may direct the relevant contracting agency to transfer the withheld funds to the Department of Labor for disbursement.

(6) Remedies for discrimination.

- (i) When the *Administrator* of the *Wage and Hour Division* determines that a *contractor* has discriminated against an *employee* in violation of 29 CFR 13.6(b), the *Administrator* of the *Wage and Hour Division* will notify the *contractor* and the relevant *contracting* agency of the discrimination and request that the *contractor* remedy the violation.
- (ii) If the *contractor* does not remedy the violation, the *Administrator* of the *Wage and Hour Division shall* direct the *contractor* to provide appropriate relief to the affected *employee* (s) in the investigative findings letter issued pursuant to 29 CFR 13.51. Such relief *may* include, but is not limited to-
 - (A) Employment;
 - (B) Reinstatement;
 - (C) Promotion;
 - (D) Restoration of leave, or lost pay and/or benefits.
- (iii) Payment of liquidated damages in an amount equaling any monetary relief *may* also be directed unless such amount is reduced by the *Administrator* of the *Wage and Hour Division* because the violation was in good faith and the *contractor* had reasonable grounds for believing the *contractor* had not violated the E.O. or 29 CFR Part 13.
- (iv) The Administrator of the Wage and Hour Division may additionally direct that payments due on the contract or any other contract between the contractor and the Federal Government be withheld as may be necessary to provide any appropriate monetary relief. Upon the final order of the Secretary of Labor that monetary relief is due, the Administrator of the Wage and Hour Division may direct the relevant contracting agency to transfer the withheld funds to the Department of Labor for disbursement.
- (7) Recordkeeping. When a contractor fails to make, maintain, or protect records; or produce records when requested by authorized representatives of the Administrator of the Wage and Hour Division , or otherwise comply with the requirements of 29 CFR 13.25 in violation of 29 CFR 13.6(c), the Administrator of the Wage and Hour Division will request that the contractor remedy the violation. If the contractor fails to produce required records upon request, the contracting officer shall , upon his or her own action or upon direction of an authorized representative of the Department of Labor, take such action as may be necessary to cause suspension of any further payment, advance, or guarantee of funds on the contract until such time as the violations are discontinued.
- (e) Inclusion of contract clause . If a contracting agency fails to include the clause at FAR $\underline{52.222-62}$ in a contract to which the E.O. applies, the contracting officer, on his or her own initiative or within 15 days of notification by an authorized representative of the Department of

Labor, *shall* incorporate the *contract clause* in the *contract* retroactive to commencement of performance under the *contract* through the exercise of any and all authority that *may* be needed (including, where necessary, its authority to negotiate or amend, its authority to pay any necessary additional costs, and its authority under any *contract* provision authorizing changes, cancellation, and termination).

22.2110 Contract clause.

Insert the clause at <u>52.222-62</u>, *Paid Sick Leave* Under Executive Order 13706, in solicitations and contracts that include the clause at <u>52.222-6</u>, *Construction* Wage Rate Requirements, or <u>52.222-41</u>, *Service Contract* Labor Standards, where work is to be performed, in whole or in part, in the *United States* (the 50 States and the District of Columbia).
